

**THE NEW
MIGHTY
MUSCULAR
SCORPIO.**

NEW MUSCLES. TO FLEX AT OTHER CARS.

PROVOCATIVE NEW BONNET SCOOP

The new streamlined bonnet scoop with its 'low-drag intake' design, doesn't just provoke other cars. It calms the Scorpio down too, by air-cooling the engine.

SIGNATURE FRONT GRILLE

The imposing new front grille boasts of the Mahindra lineage, and is sure to inspire awe in some and fear in many.

MULTI-FOCAL HEADLIGHTS

Multi-focal reflectors multiply the power of these headlamps. Their 'Sunrays' design shines into the night, giving the Scorpio a blinding stare.

EMBOSSSED SIDE CLADDING

A bold embossing on the side cladding now taunts those unfortunate enough to be around this monster.

ROAD ARMOUR BUMPERS

The Scorpio's new bumpers remind you of the armour on a gladiator. They're toughened, to defend the body. And tailored to demean other cars.

CHUNKY DOOR HANDLES

The chunky door handles (with an integrated lock) add extra muscles to the Scorpio and make sure you need less muscle to open the doors.

SPORTY NEW FOG LAMPS

The powerful fog lamps will illuminate any surprises, while also announcing the Scorpio's arrival quite sportily.

POWERED ORVMs

The Scorpio comes with a pair of well trained, dual tone ORVMs. They're powered and obey your command at the push of a button.

INTEGRATED FOOTSTEP

The rear footstep is seamlessly integrated into the rear bumper, giving those tailing the Scorpio, something to stare at.

THE HUNK HAS A SOFT CORNER.

PLUSH NEW DUAL TONE UPHOLSTERY

The Scorpio's plush interior cabin now comes draped in rich unique fabric and two seductive colour themes. Apart from the universally desired Black Allure theme, a classy new Tan & Beige upholstery option is now turning other cars red.

NEW SEATS THAT HUG YOU

Fitted with new foam contours, the seats in the new Scorpio have been designed after meticulous 'Body Pressure Mapping' and are so ergonomically adapted to the human form, they hug.

SWANKY 2-DIN AUDIO

Aesthetically designed buttons complement the large display. It supports almost any form that music might take, like MP3 CDs, SD cards and even USB drives.

STYLISH PARKING BRAKE

The stylish parking brake is now quicker to engage, and looks sharper than ever.

TECH MEETS CLASS AT THE CENTRE BEZEL

The futuristic centre bezel is a mesmerising mix between classy and techy. Every button and dial finished to perfection and tested for durability. The thoughtfully placed storage spaces outnumber your storage needs.

FEATURES

TECHNOLOGY

- mHawk engine
EURO III (Automatic/Manual) | EURO IV (Manual)
- 5-zone cushion suspension
