MARAZZO REIMAGINED

FOR COMFORT.

The engineering excellence of Mahindra and the craftsmanship of DC Design Studios have come together to create one of the most luxurious vehicles to hit Indian roads. The Marazzo is now reimagined with premium interiors, upgraded technology and elegant finishes so that you always travel in lavish comfort where ever you go.

YOU CAN'T TAKE YOUR EYES OFF IT.

Premiumness has a new face, and you'll find it on Marazzo's striking new dashboard. The front fascia is highlighted with a wood trim finish and the steering wheel sports an elegant leather-cum-wood finish. All this with a perfectly matched interior colour scheme.

ENHANCED LUXURY.

FEATURES ABOUND.

Marazzo now comes with a feature-filled cabin with a foldable headrest for enhanced comfort, chrome accents in the centre roof vents, grab handles re-trimmed with leather and a day-light assembly mounted in the centre of the headliner.

DOORS THAT INVITE YOU IN.

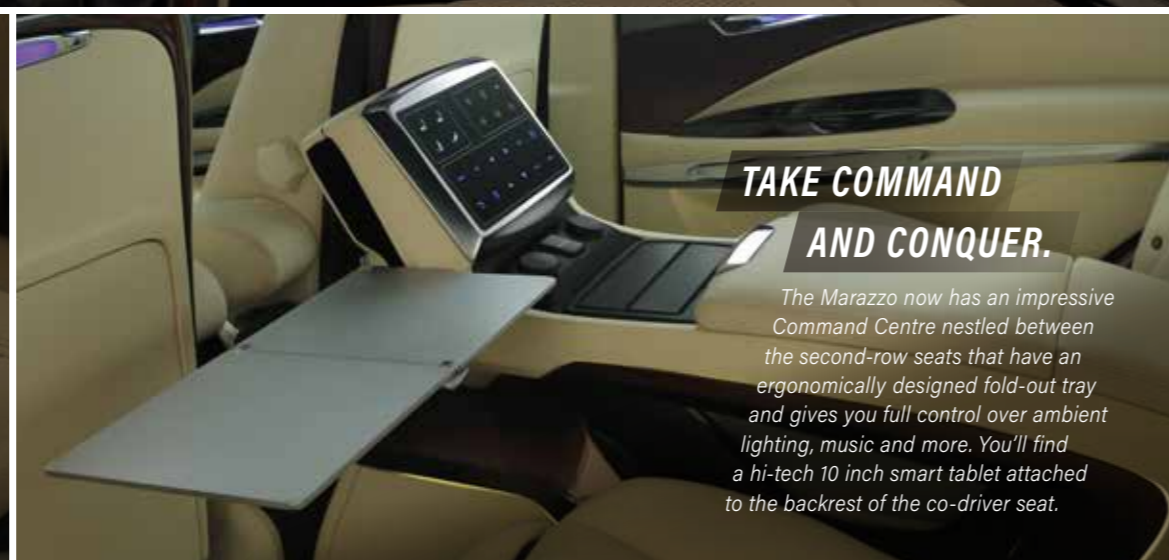

Marazzo's doors have become even more inviting with premium leather inserts that are accentuated with a simulated wood trim. The beautifully crafted billet aluminium curtain raiser adds to the premium look of the door.

TAKE COMMAND AND CONQUER.

The Marazzo now has an impressive Command Centre nestled between the second-row seats that have an ergonomically designed fold-out tray and gives you full control over ambient lighting, music and more. You'll find a hi-tech 10 inch smart tablet attached to the backrest of the co-driver seat.

CONTROL AT YOUR FINGER TIPS.

One flick of the switch and a finely tuned motor smoothly changes the seat position from sitting to reclining. Everything in the Marazzo is made to be convenient and comfortable.

EXPERIENCE THE LUXURY OF COMFORT.

Comfort is a given in the Marazzo. The seats recline up to 160° and add a comfortable 45 inches of additional legroom. Middle row passengers also get calf support and a foldable leg rest. So, sit back, relax and experience true comfort in the Marazzo.
