

1987 DODGE RAMCHARGER

RAMCHARGER 4x4

THE SMOOTH ROUGHRIDER

Break camp. Then break new ground in your 1987 Ramcharger 4x4, the quality-built sport utility that thrives on tough going. Because it's Ram Tough—perfect for a ride on the wild side. And Ram Smooth—ideal for putting the highway behind you with ease, too. You can shift the Ram Trac system between four-wheel drive and two-wheel drive at speeds up to

55 mph without getting out to lock and unlock hubs. Ramcharger 4x4 can tow up to 6,000 pounds when properly equipped and powered by the available 5.9-liter V-8 engine. And its corrosion-resistant exhaust system turns all that power into a purr.

1987 Ramcharger 4x4. Tough, smooth and smart. Backed by the 5/50 Limited Warranty.*

*See back cover for details.

Some of the equipment shown or described throughout this catalog is available at extra cost.

About this catalog: Since the time of printing, some of the information you'll find in this catalog may have been updated. Ask your dealer for details.

Ramcharger LE 4x4 shown above and on the cover in Twilight Blue Pearl Coat/ICE Blue.

RAMCHARGER TWO

COUNTRY TOUGH, STREET SMART

Load your family into 1987 Ramcharger Two, the only full-size two-wheel drive sport utility. It has more passenger room than a station wagon. Greater load capacity. Durability and reliability. Dodge Ram toughness. And Ramcharger Two can tow up to 6,500 pounds when properly equipped.

Turn the key. A standard 400-amp mainte-

nance-free battery and the electronic ignition system fire up the standard 5.2-liter engine. Engage the three-speed automatic transmission. You're off, under control with power-assisted steering and power-assisted front disc and rear drum brakes.

1987 Ramcharger Two. It's tough stuff. For the family that rides only a thoroughbred.

Ramcharger Two shown above in White.

INTERIORS

SOFT SPOT

1987 Ramcharger is mighty tough. But inside, the cloth high-back front bucket and rear bench seats, included on Ramcharger LE models and shown here in Twilight Blue, are comfortable enough for car-driving dudes. Plus, each Ramcharger model offers an available split-back bench seat. And either the family or sport driver will marvel at the firm feel of the new 15-inch deluxe steering wheel.

There's room. There's class. There's thoughtful design. You'll wind up loving 1987 Ramcharger from the inside out.

OPTIONS AND PACKAGES

Certain models, packages and options are subject to specific restrictions, requirements, or late availability. See your dealer for the latest ordering information.

A. BRIGHT REAR STEP BUMPER.

Strong and tough. A corrugated surface helps footing. Handy for climbing in back, or support while loading cargo.

B. WHEEL COVERS AND ROAD WHEELS.

Set of four reflects personal taste.

C. AUTOMATIC SPEED CONTROL.

Automatically maintains your present speed.

D. AM STEREO*/FM STEREO RADIO.

Dual-speaker stereo sound, electronically tuned; includes integral digital clock.

*Some AM stereo broadcasting may not be compatible with this radio.

E. AIR CONDITIONING.

Cool down fast with bi-level ventilation, four adjustable air outlets and four-speed blower.

F. DUAL EXTERIOR LOW-MOUNT MIRRORS.

Unfold these 6"x9" mirrors

for exceptional rear vision—on the road and when backing up.

RECOMMENDED TRAILER TOWING EQUIPMENT

To protect your warranty when towing over 2,000 pounds, see the 1987 Dodge Truck and Car Trailer Towing Guide for recommended trailer weights, GCW ratings and drive line combinations. This guide also shows recommended vehicle equipment available as factory option or dealer installed.

CHRYSLER MOTORS GENUINE PARTS

MOPAR parts are engineered by Chrysler Motors for use in your new Dodge Ramcharger. When replacement is necessary, be sure to specify MOPAR parts. Used by professional mechanics all over the world.

5/50 LIMITED WARRANTY

Upon expiration of the basic 12-month or 12,000-mile new vehicle limited warranty, limited warranty coverage is extended on power train components to five years or 50,000 miles (two years or 24,000 miles for fleet and lease vehicles), plus outer panel rust-through protection of five years or 50,000 miles. A deductible may be required. Export vehicles excluded. See copy at your dealer.

Buckle up for safety

CONSIDER LEASING

Many of today's new car prospects are wisely considering leasing as an alternative to buying. Leasing a new Dodge Ramcharger usually involves a small security deposit and a first month's lease payment. Monthly payments are usually less than financing a new car purchase. Ask your dealer for details.

Specifications, descriptions and illustrative materials contained herein are as accurate as known at the time this publication was approved for printing. Chrysler Motors reserves the right to discontinue models or options at any time or change specifications and materials, equipment and design without notice and without incurring obligation. All options and accessories illustrated or referred to as optional or available in this publication are at extra cost. Some options are required in combination with other options. For the price of the model with the equipment you desire, or verification of specifications contained here, see your Dodge Truck dealer.
