THE DEPENDABLES BUILT BY DODGE

STANDARD-SIZE DODGE STATION WAGONS!

Six beautiful buys in the low price field! Standard-size Dodge station wagons for 1964 come in two series. The lower-priced Dodge 330 wagons are offered with either Slant-6 or V8 power; the more luxurious Dodge 440 wagons offer V8 power all the way. Both Dodge 330 and Dodge 440 station wagons are available in 2-seat and 3-seat models. There's a grand total of 84 cubic feet of cargo space in each of them.

Dodge 330 wagons sport a serviceable all-vinyl interior—and Dodge 440 wagons offer an even more distinctive all-vinyl interior trim that also includes full carpeting for front and second-seat passengers!

For camp, for carrying, for cruising around town—take your choice of six standard-size Dodge station wagons. You get an uncommon amount of room, power, good looks and luxury ... all at a price right in line with the traditional low-price field. Whatever you choose, you'll get a kick out of the way Dodge performance and luxury put a new lift into your station wagon living.

STANDARD EQUIPMENT Dodge 330 Station Wagons: Floor mats to match interior color • vinyl-covered sun visors, right & left • dual horns • dome light • oil pressure gauge • glove box lock • cigar lighter • turn signals • armrests, front & rear • individual ash receivers in both rear seat armrests • electric windshield wipers • self-adjusting brakes • sealed chassis lubrication (32,000 miles between major grease jobs) • rust-protected unitized body • stainless steel exterior trim • high output electric alternator • Safety-Rim wheels • airfoil wiper blades.

Dodge 440 Station Wagons (same as 330 wagons) plus: foam front seat pad, full carpeting, body side two-tone color insert, special 440 wagon vinyl interior trim.

'64 COMPACT DART STATION WAGONS

Looking for a compact station wagon? Look at Dodge Dart. At first glance, its outside dimensions will fool you—inside there's over 68 cubic feet of cargo room! And you have a choice of 101 horsepower (or the optional 145 hp) for the engine room. Both are Slant-6 design, famous for performance as well as economy. There's the handsomely appointed Dodge 270 4-door station wagon with its all-vinyl interior, and the Dodge 170 4-door wagon—lowest-priced wagon model in the entire Dodge stable.

Compact Dart station wagons offer you a wide choice of options, as well. There's an improved 3-speed standard shift—the famous 3-speed pushbutton Torqueflite automatic transmission—and a brand new "4-on-the-floor" fully-synchronized Dodge manual transmission, to name just a few.

Dart is the compact station wagon that's fun to drive—easy to park—easy on regular gasoline. It's the compact wagon built for America's fun-loving young families!

STANDARD EQUIPMENT Dart 170 Wagons: Floor mats to match interior colors • foam front seat pad • vinyl headlining • interior dome light • sun visors (right & left) • armrests, front & rear • individual ash receivers in both rear seat armrests • cigar lighter • electric windshield wipers • turn signals • rust-protected unitized body • stainless steel exterior trim • sealed chassis lubrication (32,000 miles between major grease jobs) • high-output electric alternator • Safety-Rim wheels • self-adjusting brakes • airfoil wiper blades.
