

The new Saab 95

Powerful, responsive and designed for the driving enthusiast. The new Saab 9-5 range: control doesn't get any more exhilarating than this.

With a Scandinavian mindset.

Saab is rooted in the heart of Scandinavia. Where nature and its elements are active participants in daily life. So it's no surprise that we have a different approach to car design. Resulting in innovative concepts that give you sporty, versatile cars, powered with respect for the environment. While offering class-leading real-life safety, too. We call this responsible performance. Allowing you to enjoy true driving exhilaration everyday. Like in the Saab 9-5. Take it for a spin and the excitement comes naturally.

Ready to pilot

The moment you take off in a Saab 9-5 you'll sense that special spirit. Echoing the inspiration obtained from our unique aircraft heritage. A focused behind-the-wheel experience in a cockpit-like driver's environment. With instant power at hand and a sensational feeling of control. Supported by innovative systems to assist your driving. Intuitive, reassuring and rewarding. Above all, fun-to-drive qualities that are also vital for safer driving.

Ready to respond

The design says it all. Sleek, aerodynamic, inspiring and purposeful. Drive the Saab 9-5 and experience what it's like in action. The turbo power, the agility and the impressive response – fine-tuned for long-distance comfort. All in a spacious car filled with ingenious utility and class-leading real-life safety. Saloon or Estate? Your call. Both are designed to let you actively engage – every day on the road.

Driver control

Standard equipment

Optional equipment

Less is more. Experience Saab Turbo engine technology.

Press the accelerator in the Saab 9-5 and you'll experience the perfection of inspiring yet responsible performance. A result of our revolutionary turbo engine technology combined with cutting-edge expertise in developing powerful yet efficient engines with respect for nature. For example low-emission 1.9TiD 150PS turbo diesel and our innovative BioPower engines running on bioethanol. Whatever your preference, you can count on power and impressive mid-range torque – for rapid acceleration and faster overtaking.

Petrol, diesel or bioethanol? Your choice.

Whichever engine you choose for your Saab 9-5, you can expect intelligent power. What you get is a fuel-efficient engine that responds when necessary with the inspiring performance of a far larger engine. We call it rightsizing. In other words efficient use of energy with a surprisingly powerful result.

Please select a fuel type:

The powerful difference

High performance with low emissions

Aero

Airflow | Linear SE

Vector Sport

Make your move

Airflow | Linear SE

The very essence of the Saab design philosophy – timeless Scandinavian simplicity. Clean lines, modern and with a discreet edge.

Examples of equipment, Airflow

16-inch alloy wheels • Single CD player, MP3/AUX connection, seven speakers, 150w • Electronic Stability Programme (ESP®) Textile Sport seats • Leather-trim steering wheel • Dual zone AutomaticClimate Control (ACC) • Electric windows (front and rear) Electrically operated and heated door mirrors

Additional equipment, Linear SE

Rear Parking Assistance • Comfort Pack (Dual dividable sun visors with illuminated vanity mirrors, interior light delay, adjustable front armrest, carpet mats, twin rear cupholders) • Front fog lights

Vector Sport

Exudes performance and dynamics for even more inspired driving. The metal-finish trim accentuates the sporty spirit that pervades the entire car.

Vector Sport | Additional equipment above Linear SE

17-inch alloy wheels • Dark steel-effect facia and door trim
Leather Sport seats • Heated front seats • Sport leather-trim steering wheel
Bi-xenon headlights with auto levelling and headlight pressure washers
Sport chassis • Convenience Pack (Electric folding mirrors, auto dimming interior and exterior mirrors, rain sensor wipers)

Aero

Take a look at the Saab 9-5 Aero and you know right away what to expect. More of everything. More turbo power, sharper handling and more spirit. A high-performance experience inspired by our aeronautical past. The dynamic design and low stance really say it all. This car demands to be driven – actively. So get ready to tackle corners with a new intensity. Firmly seated in a unique body-hugging sports seat. It's a hard-to-match sensation. Every time.

Aero

Our top-of-the-line high-performance model with a unique sports interior and matching equipment level to offer the most intense Saab driving experience.

Additional equipment above Vector Sport

17-inch five-spoke Hi-Split alloy wheels • Harmon/Kardon audio with six-disc CD autochanger, 9/10 speakers, 200w • Metallic paint • Sports exhaust • Performance brakes • Tinted chrome-finish facia and door trim Leather Aero Sport front seats • Aero Sport leather steering wheel • Electric driver's seat

GPS, TMC, RDS, DVD, MP3.

It's simple. Just drive and enjoy.

The infotainment system for the Saab 9-5 has a range of advanced features you'll learn to appreciate in seconds. Just follow your instinct using the large colour touchscreen. The DVD Satellite Navigation system will respond with clear directions, all while you enjoy your favourite music from the powerful sound system.

Audio, navigation and communication

Saab Infotainment System

Includes AM/FM stereo tuner with RDS, seven speakers, 150w, MP3 format CD player and AUX connection for your MP3 player and other portable audio equipment.

Telephone holder

Suitable for most makes of mobile phone.

MP3/AUX connection

Allows you to plug your MP3 player or other portable audio equipment into the car's audio system (Not available with the DVD Satellite Navigation).

Steering wheel controls

For convenient and safer operation of the infotainment system.

Mobile phone preparation

With the optional hands-free function you can hear incoming calls via the audio system and adjust volume with the steering wheel controls. Includes external antenna for better reception.

Bluetooth™ hands-free kit

Automatically connects your Bluetooth™-enabled phone with a hands-free function. Keep the phone in your pocket and operate it with voice commands and buttons on the control panel.

DVD Satellite Navigation

Includes AM/FM stereo tuner with RDS, MP3 format CD player, six-disc CD changer in the luggage compartment, 6.5-inch colour touchscreen and satellite navigation.

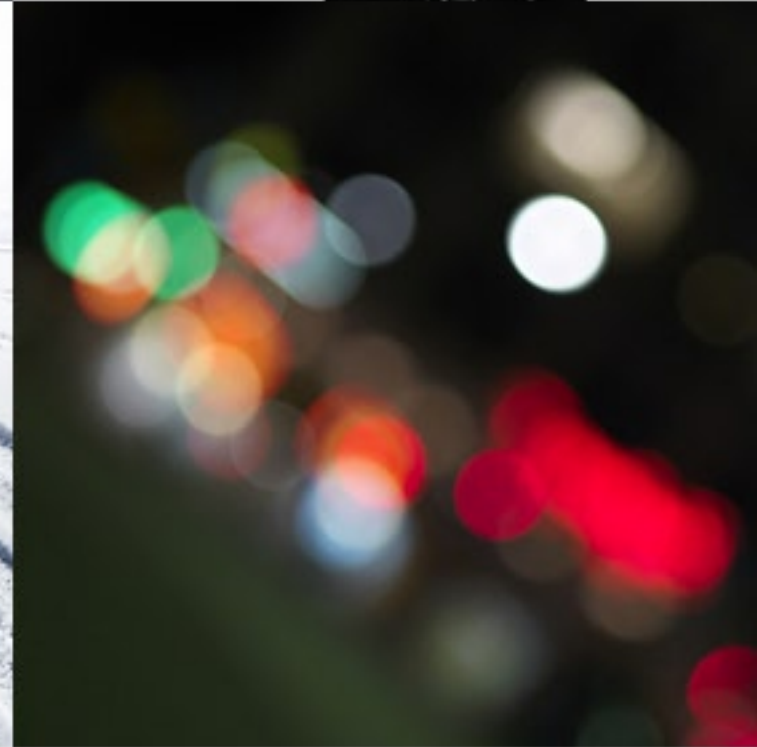

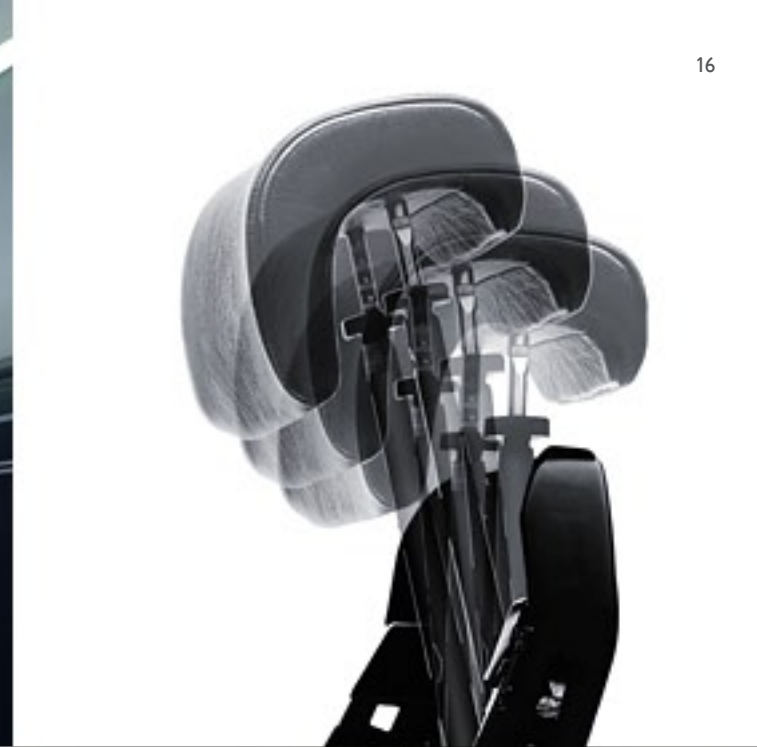

Six-disc CD autochanger

Installed in the luggage compartment.

In Scandinavia dummies don't drive cars.

Saab cars are frequently ranked among the best in the world in various safety surveys. Yet our safety work is much more than award-winning. It focuses on what actually happens on the road in real-life conditions. After all, our job is to protect real people, not just dummies in a laboratory. This philosophy has led to a range of safety innovations over the years. The most important result of all, however, is the impressive safety of our cars. Out on the road.

Safety

Reinforced doors

Featuring protective beams and overlapping sills to help prevent door intrusion into the cabin.

Five stars

Top rating in the European New Car Assessment Program (EuroNCAP) crash tests - adult occupancy rating.

Child seats

Available from Saab Genuine Accessories for all ages up to 10 years. The optional integrated child seat for the rear seat is suitable for children between approximately three and 10 years old.

CargoTracks™

Allows you to secure different types of load. Together with the sturdy backrest, you can count on world-class load-shifting protection (Estate only).

Robust B-pillar

Designed to work as a pendulum and bend inwards at the bottom to lead crash forces away from the occupants.

Side airbags

Two-part side airbags fitted in the front seat's backrest help protect both the head and thorax.

Front structure

designed to protect in frontal crashes from a variety of angles and objects. Crash boxes and front beams are designed to deform in a controlled manner to help absorb the impact energy.

Safety cage

In high-tensile steel. Designed to shield the occupants. Between the front and rear crumple zones that absorb and dissipate crash forces.

Ready? Always.

Sporty, spirited design. No wonder the Saab 9-5 is ready to support an active life. Always ready to integrate smoothly with your daily needs. At work, with your family and friends or on the way to your next activity. If you opt for the versatile Estate version, you get even more space and utility. Just go where you want and bring what you like – whatever the season.

Versatility and convenience

Ski hatch

In the rear seat to accommodate long items (Saloon only).

Scratch protection/seating mat

Rolls out from the luggage compartment to protect the bumper. Easily removed for use as a waterproof seating mat.

Cargo nets

For the side and floor in the luggage compartment. Keeps light items in place. Floor cargo net for Estate only.

Bike holder, towbar-mounted

Space for two bikes (three with an adapter). Fold-down function for easy access to the luggage compartment. Number plate holder and lighting.

Roof rack, C-track

Quick-release fasteners for easy fitting. Made of anodised aluminium (Estate only).

Split/fold rear seat

Dividable 60/40. Expands luggage capacity when you need more space.

Bag holder

Mounted under the parcel shelf. Four hooks for holding shopping bags in place in the luggage compartment.

Storage tray

Keeps smaller items protected under the luggage compartment floor (Estate only).

Saab Finance

Offers financing plans tailored to suit your individual requirements. For private and company customers.

Warranties

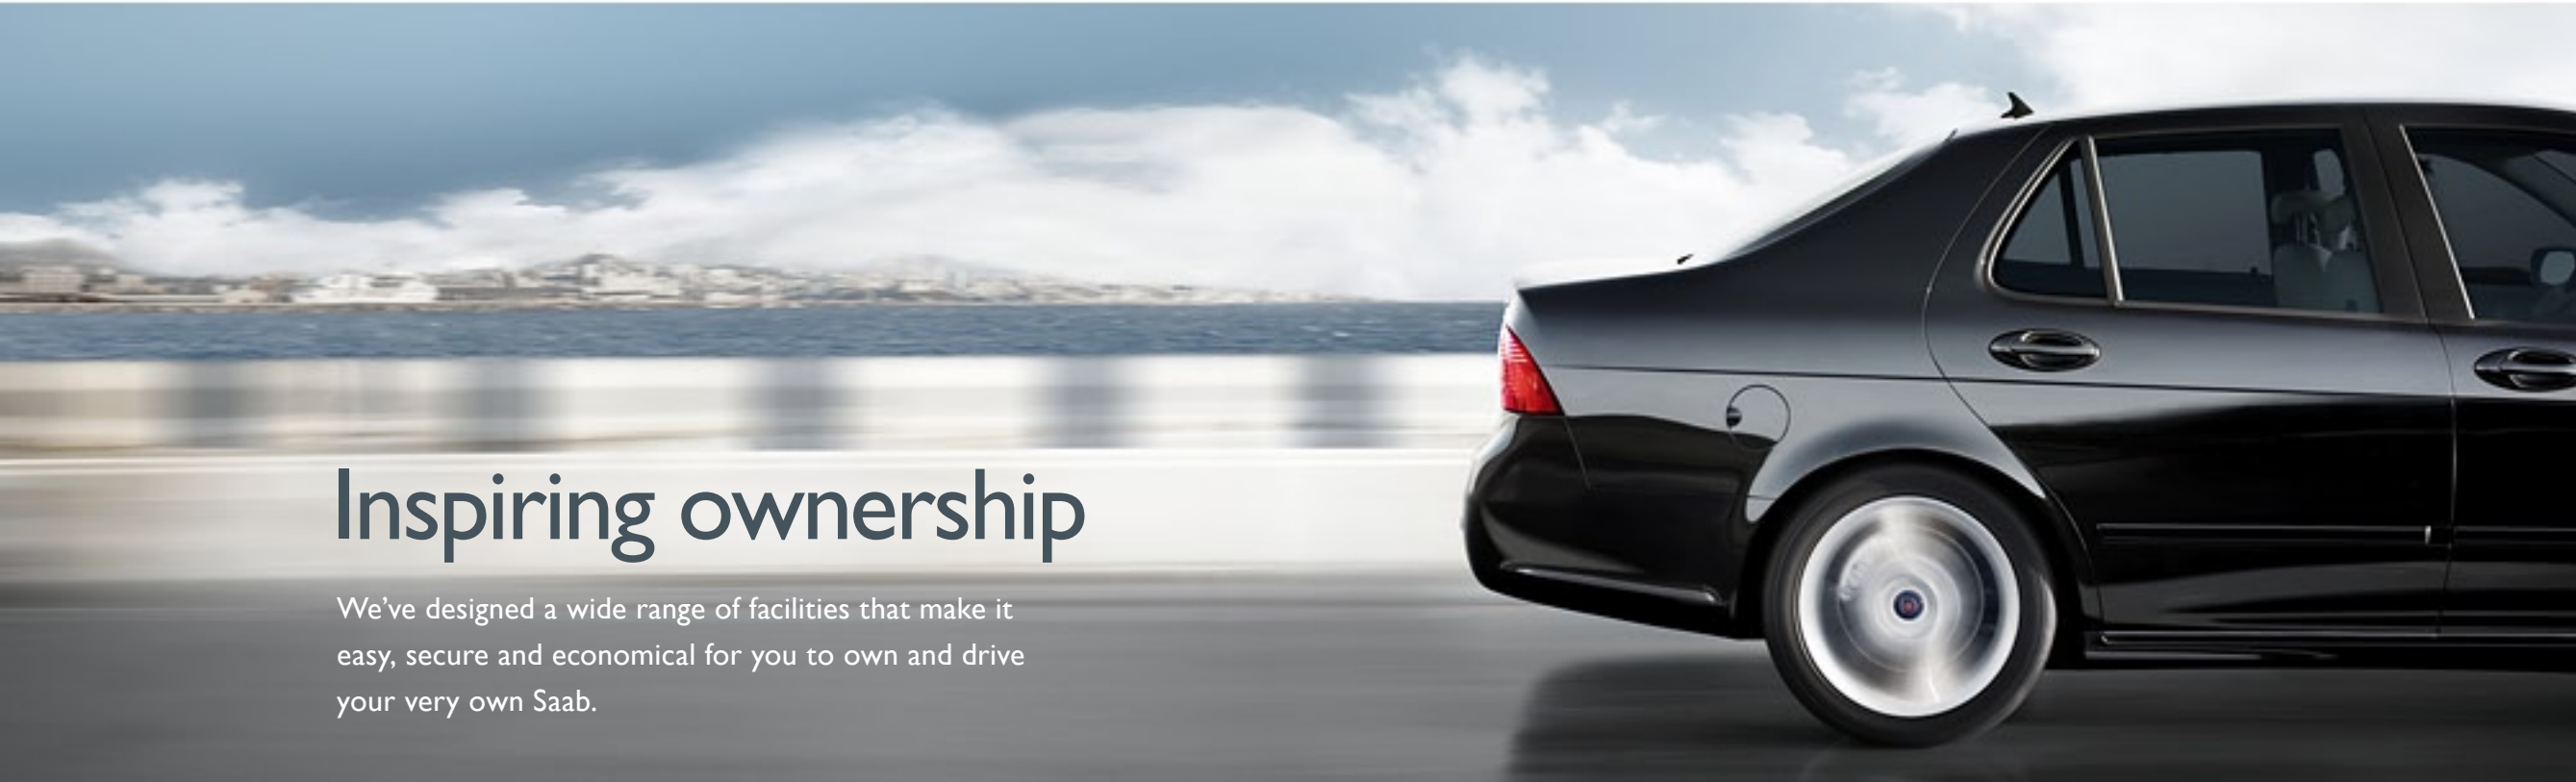

A new-car warranty and a six-year anti-corrosion warranty. Ask your Saab dealer for further details.

Saab Direct

Provides free telephone information on matters relating to Saab. Offers help if you should have a problem while on the road.

Saab Genuine Accessories

Let you fine-tune the car to exactly suit your needs. Find out more in our accessories brochure, available at your Saab dealer.

Inspiring ownership

We've designed a wide range of facilities that make it easy, secure and economical for you to own and drive your very own Saab.

Saab Insurance

Simplifies contacts if your car is damaged. Your Saab dealer will take care of everything from inspection to damage assessment and repairs.

Saab Assistance

Offers 24 hour assistance in most of Europe. In the unlikely event of a breakdown or serious technical problem, we'll help you on site.

Saab Price Guide

A separate price guide with detailed information about all the Saab 9-5 models and options. Available from your Saab dealer.

Your choice

Exterior colour:

Saab shown is 9-5 Saloon 2.3T Aero. Some options and wheels are only available on certain trim levels. You can now create your own 9-5 to your exact specifications on the 'build your car' section of the Saab website, featuring all engines, colours, trim levels and options.
