

# The Saab 95 Estate

Powerful, responsive and designed for the driving enthusiast.  
The Saab 9-5: control doesn't get any more exhilarating than this.

## 9-5 Saloon

Please note there is currently limited product availability - (**only Model Year 09**). Product details are very similar to the Estate, however please discuss with your Saab dealership your requirements

move your mind™

# With a Scandinavian mindset.

Saab is rooted in the heart of Scandinavia. Where nature and its elements are active participants in daily life. So it's no surprise that we have a different approach to car design. Resulting in innovative concepts that give you sporty, versatile cars, powered with respect for the environment. While offering class-leading real-life safety, too. We call this responsible performance. Allowing you to enjoy true driving exhilaration everyday. Like in the Saab 9-5. Take it for a spin and the excitement comes naturally.

# Ready to pilot

The moment you take off in a Saab 9-5 you'll sense that special spirit. Echoing the inspiration obtained from our unique aircraft heritage. A focused behind-the-wheel experience in a cockpit-like driver's environment. With instant power at hand and a sensational feeling of control. Supported by innovative systems to assist your driving. Intuitive, reassuring and rewarding. Above all, fun-to-drive qualities that are also vital for safer driving.

# Ready to respond

The design says it all. Sleek, aerodynamic, inspiring and purposeful. Drive the Saab 9-5 and experience what it's like in action. The turbo power, the agility and the impressive response – fine-tuned for long-distance comfort. All in a spacious car filled with ingenious utility and class-leading real-life safety.

Standard equipment

Optional equipment

# Less is more. Experience Saab Turbo engine technology.

Press the accelerator in the Saab 9-5 and you'll experience the perfection of inspiring yet responsible performance. A result of our revolutionary turbo engine technology combined with cutting-edge expertise in developing powerful yet efficient engines with respect for nature. For example low-emission 1.9TiD 150PS turbo diesel and our innovative BioPower engine running on bioethanol. Whatever your preference, you can count on power and impressive mid-range torque – for rapid acceleration and faster overtaking.

# Petrol, diesel or bioethanol? Your choice.

Whichever engine you choose for your Saab 9-5, you can expect intelligent power. What you get is a fuel-efficient engine that responds when necessary with the inspiring performance of a far larger engine. We call it rightsizing. In other words efficient use of energy with a surprisingly powerful result.

Please select a fuel type:

## The powerful difference

High performance with low emissions

|-------------|---------------|-------------|-------------|
| 2.0t        | 2.0t BioPower | 2.3 Turbo   | 1.9 TiD     |
| 150PS/240Nm | 180PS/280Nm   | 260PS/350Nm | 150PS/320Nm |

# The Saab 9-5 Turbo Edition

The Saab 9-5 has long been a car synonymous with comfort, safety and performance. This experience and reputation combined with exciting features makes the Saab 9-5 Turbo Edition a car at the top of its game. Functional and ergonomic design work in harmony with exhilarating engine performance to make the Turbo Edition more than you imagined, for less than you thought. We like to think it's a car that lives up to unexpectations.

# More than you imagined, for less than you thought.

## The Saab 9-5 Turbo Edition

**Packed full of features and with a range of engines, the key features of the 9-5 Turbo Edition include:**

## DVD Satellite Navigation

Includes AM/FM stereo tuner with RDS, MP3 format CD player, six-disc CD changer in the luggage compartment, 6.5-inch colour touchscreen and satellite navigation.

## Six-disc CD autochanger

Installed in the luggage compartment.

# In Scandinavia dummies don't drive cars.

Saab cars are frequently ranked among the best in the world in various safety surveys. Yet our safety work is much more than award-winning. It focuses on what actually happens on the road in real-life conditions. After all, our job is to protect real people, not just dummies in a laboratory. This philosophy has led to a range of safety innovations over the years. The most important result of all, however, is the impressive safety of our cars. Out on the road.

# Safety

## Reinforced doors

Featuring protective beams and overlapping sills to help prevent door intrusion into the cabin.

## Child seats

Available from Saab Genuine Accessories for all ages up to 10 years. The optional integrated child seat for the rear seat is suitable for children between approximately three and 10 years old.

## Robust B-pillar

Designed to work as a pendulum and bend inwards at the bottom to lead crash forces away from the occupants.

## Front structure

designed to protect in frontal crashes from a variety of angles and objects. Crash boxes and front beams are designed to deform in a controlled manner to help absorb the impact energy.

## Five stars

Top rating in the European New Car Assessment Program (EuroNCAP) crash tests - adult occupancy rating.

## CargoTracks™

Allows you to secure different types of load. Together with the sturdy backrest, you can count on world-class load-shifting protection (Estate only).

## Side airbags

Two-part side airbags fitted in the front seat's backrest help protect both the head and thorax.

## Safety cage

In high-tensile steel. Designed to shield the occupants. Between the front and rear crumple zones that absorb and dissipate crash forces.

# Ready? Always.

Sporty, spirited design. No wonder the Saab 9-5 is ready to support an active life. Always ready to integrate smoothly with your daily needs. At work, with your family and friends or on the way to your next activity. If you opt for the versatile Estate version, you get even more space and utility. Just go where you want and bring what you like – whatever the season.

# Versatility and convenience

## Integrated roof rails

Comes standard in black. Matt chrome-finish is optional.

## Roof rack, C-track

Quick-release fasteners for easy fitting. Made of anodised aluminium.

## Scratch protection/seating mat

Rolls out from the luggage compartment to protect the bumper. Easily removed for use as a waterproof seating mat.

## Split/fold rear seat

Dividable 60/40. Expands luggage capacity when you need more space.

## Cargo nets

For the side and floor in the luggage compartment. Keeps light items in place.

## Bag holder

Mounted under the parcel shelf. Four hooks for holding shopping bags in place in the luggage compartment.

## Bike holder, towbar-mounted

Space for two bikes (three with an adapter). Fold-down function for easy access to the luggage compartment. Number plate holder and lighting.

## Storage tray

Keeps smaller items protected under the luggage compartment floor.
