

The new Saab 93

The new Saab 9-3 range features bold new styling inspired by the award-winning Aero X concept car, backed by cutting edge technology for greater driving appeal.

Designed with Scandinavia in mind.

Experience the new Saab 9-3 and you'll know what drives us. Saab was born in the heart of Scandinavia, where nature and its elements are active participants in daily life. No surprise then that we have a different approach to car design. Resulting in innovative concepts that give you sporty, versatile cars powered with respect for the environment. So get behind the wheel in the new Saab 9-3 – and discover all the ways it's designed to perform.

Ready to pilot

The driver focus is striking the second you take off in the new Saab 9-3. Echoing the inspiration obtained from our unique aircraft heritage. With instant power at hand and a chassis tuned for agile, sporty handling. Innovative systems designed to assist your driving add to the sensational feeling of control. Above all, the fun-to-drive qualities are also vital for safer driving.

Designed to perform

Follow the lines, absorb the expression. The new sporty, sleek and purposeful design is a clear indication of what to expect. Spirited performance and driving inspiration beyond belief. With the most exciting Saab turbo engine range ever, cutting-edge chassis design and a host of advanced features that enhance driving excitement still further. Of course, world-class real-life safety and innovative functional features are present for everyday convenience. Prepare for a sensational experience.

Standard equipment

Optional equipment

Less is more. Experience Saab Turbo engine technology.

In the new Saab 9-3 you'll experience the perfection of inspiring yet responsible performance. A result of our revolutionary turbo engine technology combined with cutting-edge expertise in developing powerful yet efficient engines with respect for nature. Take our new high-performance low-emission 1.9TTiD 180PS engine and our innovative BioPower engines running on bioethanol, whatever your preference, you can count on power and impressive mid-range torque for rapid acceleration and faster overtaking.

Petrol, diesel or bioethanol? Fuel it your way.

At Saab, we have a passion for developing intelligent power. Efficient engines that give you the power and vitality you're looking for. From advanced petrol engines and low-emission turbo diesels to Saab BioPower – a revolutionary innovation with a cleaner conscience. Rest assured, whatever engine you choose for your new Saab 9-3, you can expect plenty of on-demand exhilaration.

Please select a fuel type:

The powerful difference

High performance with low emissions

122PS/167Nm	150PS/240Nm	175PS/265Nm	175PS/265Nm	200PS/300Nm	210PS/300Nm	255PS/350Nm	120PS/280Nm	150PS/320Nm	180PS/400Nm

Aero

The unique design and low stance of the new Saab 9-3 Aero really say it all. Expect more of everything. Sharper handling, more spirit and impressive reserves of speed and power. A high-performance experience inspired by our aeronautical past. Powered by a V6 Turbo, 2.0 Turbo or the new 1.9TTiD engine this car demands to be driven. So get ready to tackle corners with a new intensity. Firmly seated in a body-hugging sports seat. A sensational experience. Every time.

Turbo

Aero
TTiD

2.0
Turbo

Engine and transmission

Turbocharging

Gives the engine significantly increased torque, especially in the medium rev range. Results in rapid acceleration for faster and safer overtaking.

V6 Turbo

Offers extremely high torque and refinement at all revs. With variable inlet cam phasers, 24 valves, roller cam followers, sinter-forged connecting rods and double-wall exhaust manifolds.

Manual 6-speed

Standard (except 1.8i and 1.8t). Provides closer gear ratios for fast acceleration.

BioPower technology

Combines advanced turbo technology and Trionic engine management system to automatically adjust for fuel type. Exploits the higher octane rating of E85 fuel, increasing efficiency.

VNT turbo

Variable Nozzle Turbine. Gives the TiD engine faster response across the rev range by adjusting to the exhaust gas flow.

SportDrive

On cars with Sentronic automatic transmission. Shifts down earlier when braking and holds the gear longer during acceleration and engine braking. Puts the sporty driver in total control.

Sentronic 6-speed

Automatic transmission that also allows manual gearshifting using the Sentronic shift buttons on the steering wheel. Includes SportDrive function which adapts gear shifts to the driving style.

Saab Trionic

One of the world's most advanced 4-cylinder turbo petrol engine management systems. Exclusive to Saab, Trionic produces maximum power and fuel economy with minimal emissions.

Aero

Airflow | Linear SE

Vector Sport

Make your move

Airflow | Linear SE

The very essence of the Saab design philosophy – timeless Scandinavian simplicity. Clean lines, modern and with a discreet edge.

Examples of equipment, Airflow

14-spoke, 16-inch alloy wheels (ALU7 2) • Thila/Textile upholstery
Saab Infotainment System with single CD player, seven 150w speakers
Audio steering wheel controls • Dual zone automatic climate control
Cruise control • Car Computer

Additional equipment, Linear SE

Rear Parking Assistance • Comfort Pack • One touch closing windows

Vector Sport

Exudes performance and dynamics for even more inspired driving. The metal-finish trim accentuates the sporty spirit that pervades the entire car.

Vector Sport | Additional equipment above Linear SE

Five-spoke Split, 17-inch alloy wheels (ALU50) • Metal-finish trim, centre console/doors/glove box • Leather/Textile sports seats
Sports leather-trim steering wheel • Front fog lights
Electronic Stability Programme (ESP) • Sport chassis

Aero

Our top-of-the-line high-performance model with a unique sports interior and matching equipment level to offer the most intense Saab driving experience.

Additional equipment above Vector Sport

Five-spoke Low Split, 17-inch alloy wheels (ALU7 1) • Performance brakes • Dual sports exhaust pipes (Not 2.0T) • Aero front bumper with matt metal-finish inserts around the foglights • Aero rear bumper (Not 2.0T) • Leather Sport front seats • Heated front seats • Six-disc CD autochanger, seven speakers, 150w • Bi-xenon headlights with auto levelling and headlight washers

Listen to the car. Or chat with it.

Music, navigation, stay in touch while on the road? The infotainment system in the new Saab 9-3 brings it all together. Easy and intuitive. Just plug in your MP3 player and enjoy the new BOSE® Surround-Sound audio system. Your Bluetooth™-enabled mobile phone connects automatically to the hands-free function. For extra convenience, you can command the phone, radio and navigation by voice control.

Audio, navigation and communication

Bluetooth™

Phone integration system – automatically connects your Bluetooth™-enabled phone with the infotainment system. Allows you to operate the phone with the buttons on the steering wheel or by voice control.

MP3/AUX connection

On the front panel of the infotainment system. Allows you to plug your MP3 player or other portable audio equipment into the car's audio system.

Audio steering wheel controls

More convenient and safer operation of the infotainment system.

Voice control

Push a button on the steering wheel and speak a command. A voice confirms your request and offers guidance. Included in DVD Satellite Navigation and the Bluetooth™ phone integration system.

BOSE® Surround Sound audio system

Our top sound system. 11 speakers (10 on SportWagon) with Bose Centerpoint™ technology & 5-channel surround sound from conventional 2-channel sources e.g. FM stereo and CDs. (From Autumn 2007)

Telephone holder

In the centre console compartment. Connects your phone to the exterior antenna and charges the phone while on the road. For combination with the Bluetooth™ phone integration system.

TMC

Traffic Message Channel. Reports traffic disruptions to the navigation system enables dynamic route guidance – a new route and time of arrival are automatically calculated.

DVD Satellite Navigation

Utilises a DVD disc, GPS and TMC. Voice instructions and easy-to-read symbols on the 6.5-inch colour touch screen. Voice control makes the navigation system very convenient to use.

In Scandinavia dummies don't drive cars.

Saab cars are frequently ranked among the best in the world in various safety surveys. Yet our safety work is much more than award-winning. It focuses on what actually happens on the road in real-life conditions. After all, our job is to protect real people, not just dummies in a laboratory. This philosophy has led to a range of safety innovations over the years. The most important result of all, however, is the impressive safety of our cars. Out on the road.

Safety

Reinforced doors

Featuring protective beams and overlapping sills to help prevent door intrusion into the cabin.

Five stars

Top rating in the European New Car Assessment Program (EuroNCAP) crash tests – adult occupancy rating.

Side curtain airbag

Helps protect the front and rear outboard occupants in a moderate to severe side impact. For additional protection, the front seats also have side airbags to help protect the chest.

Maximum rating: Good

Saab 9-3 Saloon and SportWagon. For Saab Active Head Restraints (SAHR) in Thatcham insurance research centre crash tests.

Robust B-pillar

Designed to work as a pendulum and bend inwards at the bottom to lead crash forces away from the occupants.

Maximum rating: Green+

Saab 9-3 Saloon. For Saab Active Head Restraints (SAHR) in Swedish Insurance Company Folksam's crash tests(2003).

Child seats

Available from Saab Genuine Accessories for all ages up to 10 years. Rearward and forward-facing. Insert for 0–nine month old infants. ISOFIX anchorage points for child seats in the rear seat.

Top Safety Pick Award

Saab 9-3 Saloon. Top rating in the US Insurance Institute for Highway Safety (IIHS) front, side and rear crash tests, (2007)

Ready when you are

Sporty looks for an active life. The new Saab 9-3 has what it takes. At work, with your family or on the way to your next activity. With the versatile SportWagon version, you get even more space and utility. Fine-tuning with the right accessories adds a dimension of flexibility that allows you to really get the most out of every day. All year round.

Versatility and convenience

Extending ski/board holder

Slides out from the car roof for easy loading and unloading. Holds six pairs of skis or four snowboards.

Floor compartments

For concealed storage of smaller items. One of the compartments in the SportWagon has a thermos/bottle holder.

Bike holder, towbar-mounted

Space for two bikes (three with an adapter). Fold-down function for easy access to the luggage compartment. Number plate holder and lighting.

Foldable front seat

Makes it possible to carry 2.5 metre long items. Not available with sports seats (SportWagon only).

Scratch protection/seating mat

Rolls out from the luggage compartment to protect the bumper. Easily removed for use as a waterproof seating mat.

Cargo net

A textile net that separates the passenger and luggage compartments.

Kayak/canoe holder

With adjustable rubber supports that mould to the hull. Robust tensioning straps.

Smart Slot

An innovative storage system with interchangeable accessories such as a cup holder.

Saab Finance

Offers financing plans tailored to suit your individual requirements. For private and company customers.

Warranties

A new-car warranty and a ten-year anti-corrosion warranty. Ask your Saab dealer for further details.

Saab Direct

Provides free telephone information on matters relating to Saab. Offers help if you should have a problem while on the road.

Saab Genuine Accessories

let you fine-tune the car to exactly suit your needs. Find out more in our accessories brochure, available at your Saab dealer.

Inspiring ownership

We've designed a wide range of facilities that make it easy, secure and economical for you to own and drive your very own Saab.

Saab Insurance

Simplifies contacts if your car is damaged. Your Saab dealer will take care of everything from inspection to damage assessment and repairs.

Saab Assistance

Offers 24 hour assistance in most of Europe. In the unlikely event of a breakdown or serious technical problem, we'll help you on site.

Saab Price Guide

A separate price guide with detailed information about all the Saab 9-3 models and options. Available from your Saab dealer.

Your choice

Exterior colour:

Saab shown is 9-3 Saloon Aero 2.8 V6 Turbo. Some options and wheels are only available on certain trim levels. You can now create your own 9-3 to your exact specifications on the 'build your car' section of the Saab website, featuring all engines, colours, trim levels and options.
