

The Saab 93

The Saab 9-3 range features bold styling inspired by the award-winning Aero X concept car, backed by cutting edge technology for greater driving appeal.

Inspired by Scandinavia

Saab was born in the heart of Scandinavia, where nature and its elements are active participants in daily life. No surprise then that we have a different approach to car design. Resulting in innovative concepts that give you sporty, versatile cars. Allowing you to enjoy genuine driving exhilaration. So get behind the wheel of the Saab 9-3 – and experience the spirit of Scandinavia.

Ready to pilot

The driver focus is striking the second you take off in the Saab 9-3. Echoing the inspiration obtained from our unique aircraft heritage. With instant power at hand and a chassis tuned for agile, sporty handling. Innovative systems designed to assist your driving add to the sensational feeling of control. Above all, the fun-to-drive qualities are also vital for safer driving.

Designed to perform

Follow the lines, absorb the expression. The sporty, sleek and purposeful design is a clear indication of what to expect. Spirited performance and driving inspiration beyond belief. With the most exciting Saab turbo engine range ever, cutting-edge chassis design and a host of advanced features that enhance driving excitement still further. Of course, world-class real-life safety and innovative functional features are present for everyday convenience. Prepare for a sensational experience.

Optional equipment

Less is more. Experience Saab Turbo engine technology.

In the Saab 9-3 you'll experience the perfection of inspiring yet responsible performance. A result of our revolutionary turbo engine technology combined with cutting-edge expertise in developing powerful yet efficient engines with respect for nature. Take our high-performance low-emission 1.9TTiD 180PS engine and our innovative BioPower engine running on bioethanol, whatever your preference, you can count on power and impressive mid-range torque for rapid acceleration and faster overtaking.

Petrol, diesel or bioethanol? Fuel it your way.

At Saab, we have a passion for developing intelligent power. Efficient engines that give you the power and vitality you're looking for. From advanced petrol engines and low-emission turbo diesels to Saab BioPower – a revolutionary innovation with a cleaner conscience. Rest assured, whatever engine you choose for your Saab 9-3, you can expect plenty of on-demand exhilaration.

Please select a fuel type:

Two turbos. Twice the fun.

If you want the ultimate in pure diesel power, you should try the Saab 9-3 TTD featuring our innovative Twin Turbo technology. You can count on agility, sportiness and amazing response with a massive 400Nm (manual) of torque at your disposal, allowing for swift overtaking. Despite all the available power, the combined fuel consumption is an impressive 53.3mpg with CO₂ emissions of just 139g/km. This is a car that encourages active driving for miles on end.

TTiD

The 1.9TTiD engine, our advanced Twin Turbo diesel. Pure facts speak for themselves. Top speed: 140mph. 0–60mph: 8.0sec. 50–70mph in fifth gear: 6.7sec. Combined fuel consumption: 53.3mpg, CO₂ 139g/km. (Saloon, 6-speed manual figures shown).

Aero

The unique design and low stance of the Saab 9-3 Aero really say it all. Expect more of everything. Sharper handling, more spirit and impressive reserves of speed and power. A high-performance experience inspired by our aeronautical past. Powered by a 2.0 Turbo, 1.9TTiD or a 2.0T XWD engine, this car demands to be driven. So get ready to tackle corners with a new intensity. Firmly seated in a body-hugging sports seat. A sensational experience. Every time.

Aero
TTiD

2.0
Turbo

Engine and transmission

Turbocharging

Gives the engine significantly increased torque, especially in the medium rev range. Results in rapid acceleration for faster and safer overtaking.

TTiD

The ultimate in pure diesel power, featuring out innovative Twin Turbo technology. Agility, sportiness and amazing response with a massive 400Nm (manual) of torque at your disposal, allowing for swift overtaking.

Manual 6-speed

Standard. Provides closer gear ratios for fast acceleration.

BioPower technology

A Saab innovation that takes advantage of the higher octane rating of E85 fuel, making the engine more efficient.

VNT turbo

Variable Nozzle Turbine. Gives the TiD engine faster response across the rev range by adjusting to the exhaust gas flow.

SportDrive

Shift mode on cars with Sentronic automatic transmission. Activated with a separate button on the instrument panel. Provides faster response and more control during sporty driving.

Sentronic automatic transmission

Allows manual gearshifting using the sentronic shift buttons on the steering wheel. Includes SportDrive function which adapts gear shifts to the driving style.

Saab Trionic

Advanced management system for 4-cylinder turbo petrol engines, developed by and available exclusively for Saab. Optimises the combustion process to develop maximum power and fuel economy with minimal emissions.

Aero

Linear SE

Turbo Edition

Vector Sport

Make your move

Linear SE

The very essence of the Saab design philosophy – timeless Scandinavian simplicity. Clean lines, modern and with a discreet edge.

Examples of equipment, Linear SE

16-inch 14-spoke alloy wheels (ALU72) • Thila/Textile upholstery
• Saab Infotainment System with single CD player, 150w, seven speakers • Audio steering wheel controls • Dual zone automatic climate control • Cruise control • Car Computer • Electronic Stability Programme (ESP) • Rear Parking Assistance • Comfort Pack • One touch closing windows

Vector Sport

Exudes performance and dynamics for even more inspired driving. The metal-finish trim accentuates the sporty spirit that pervades the entire car.

Vector Sport | Additional equipment above Linear SE

- 17-inch five-spoke Split alloy wheels (ALU50)
- Metal-finish trim, centre console / doors / glove box
- Leather/Textile sports seats
- Sports leather-trim steering wheel
- Sport chassis

Aero

Our top-of-the-line high-performance model with a unique sports interior and matching equipment level to offer the most intense Saab driving experience.

Additional equipment above Vector Sport

18-inch 10-spoke alloy wheels (ALU65) • Performance brakes • Dual sports exhaust pipes • Aero front bumper with matt chrome-finish inserts around the foglights • Aero rear bumper • Leather Sport front seats • Heated front seats • Bi-xenon headlights with auto levelling and headlight washers • Tyre pressure monitoring

The Saab 9-3 Turbo Edition

The Saab 9-3 has long been a car synonymous with comfort, safety and performance. This experience and reputation combined with exciting features makes the Saab 9-3 Turbo Edition a car at the top of its game. Functional and ergonomic design work in harmony with exhilarating engine performance to make the Turbo Edition more than you imagined, for less than you thought. We like to think it's a car that lives up to unexpectations.

More than you imagined, for less than you thought.

The Saab 9-3 Turbo Edition

Packed full of features and with a range of engines, the key features of the 9-3 Turbo Edition include:

Leather interior • Heated front seats • Dual Zone Climate Control • Cruise control • Saab computer • 7 speaker 150W CD/Audio • 17-inch Alloy wheels • Rear parking assistance • Auto levelling Bi-Xenon headlights • Auto dimming exterior & interior rear view mirrors • Electric folding exterior mirrors

Multimedia device.

The infotainment system in the Saab 9-3 brings it all together. Easy and intuitive, even while on the road. Just plug in your MP3 player and enjoy the Bose® Surround Sound audio system. Your Bluetooth™-enabled mobile connects automatically to the hands-free function. For extra convenience, you can command the phone, radio and navigation by voice control. The car confirms your requests by voice and guides you to your destination.

Audio, navigation and communication

Bluetooth™

Phone integration system – automatically connects your Bluetooth™-enabled phone with the infotainment system. Allows you to operate the phone with the buttons on the steering wheel or by voice control.

MP3/AUX connection

On the front panel of the infotainment system. Allows you to plug your MP3 player or other portable audio equipment into the car's audio system.

Audio steering wheel controls

More convenient and safer operation of the infotainment system.

Voice control

Push a button on the steering wheel and speak a command. A voice confirms your request and offers guidance. Included in DVD Satellite Navigation and the Bluetooth™ phone integration system.

BOSE® Surround Sound audio system

Our top sound system. 11 speakers (10 on SportWagon) with Bose Centerpoint™ technology & 5-channel surround sound from conventional 2-channel sources e.g. FM stereo and CDs.

Telephone holder

In the centre console compartment. Connects your phone to the exterior antenna and charges the phone while on the road. For combination with the Bluetooth™ phone integration system.

TMC

Traffic Message Channel. Reports traffic disruptions to the navigation system enables dynamic route guidance – a new route and time of arrival are automatically calculated.

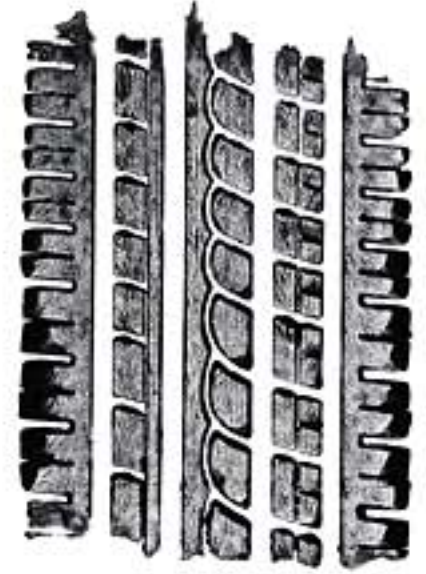

DVD Satellite Navigation

Utilises a DVD disc, GPS and TMC. Voice instructions and easy-to-read symbols on the 6.5-inch colour touch screen. Voice control makes the navigation system very convenient to use.

Welcome to our safety lab.

Saab cars are frequently ranked among the best in the world in various safety surveys. Yet our safety work is much more than award-winning. It focuses on what actually happens on the road in real-life conditions. After all, our job is to protect real people, not just dummies in a laboratory. This philosophy has led to a range of safety innovations over the years. The most important result of all, however, is the impressive safety of our cars. Out on the road.

Five-star safety.

Reinforced doors

Featuring protective beams and overlapping sills to help prevent door intrusion into the cabin.

Five stars

Top rating in the European New Car Assessment Program (EuroNCAP) crash tests – adult occupancy rating.

Side curtain airbag

Helps protect the front and rear outboard occupants in a moderate to severe side impact. For additional protection, the front seats also have side airbags to help protect the chest.

Maximum rating: Good

Saab 9-3 Saloon and SportWagon. For Saab Active Head Restraints (SAHR) in Thatcham insurance research centre crash tests.

Robust B-pillar

Designed to work as a pendulum and bend inwards at the bottom to lead crash forces away from the occupants.

Maximum rating: Green+

Saab 9-3 Saloon. For Saab Active Head Restraints (SAHR) in Swedish Insurance Company Folksam's crash tests (2003).

Child seats

Available from Saab Genuine Accessories for all ages up to 10 years. Rearward and forward-facing. Insert for 0–nine month old infants. ISOFIX anchorage points for child seats in the rear seat.

Top Safety Pick Award

Saab 9-3 Saloon. Top rating in the US Insurance Institute for Highway Safety (IIHS) front, side and rear crash tests, (2007)

Prepared for anything.

The Saab 9-3 is designed for an active life. At work, with your family or on the way to your next activity. Choose the versatile SportWagon version if you want even more space and utility. Fine-tuning with the right accessories adds a dimension of flexibility that allows you to really get the most out of every day. All year round.

Versatility and convenience

Extending ski/board holder

Slides out from the car roof for easy loading and unloading. Holds six pairs of skis or four snowboards.

Floor compartments

For concealed storage of smaller items. One of the compartments in the SportWagon has a thermos/bottle holder.

Bike holder, towbar-mounted

Space for two bikes (three with an adapter). Fold-down function for easy access to the luggage compartment. Number plate holder and lighting.

Foldable front seat

Makes it possible to carry 2.5 metre long items. Not available with sports seats (SportWagon only).

Scratch protection/seating mat

Rolls out from the luggage compartment to protect the bumper. Easily removed for use as a waterproof seating mat.

Cargo net

A textile net that separates the passenger and luggage compartments.

Kayak/canoe holder

With adjustable rubber supports that mould to the hull. Robust tensioning straps.

Smart Slot

An innovative storage system with interchangeable accessories such as a cup holder.

Saab Finance

Offers financing plans tailored to suit your individual requirements. For private and company customers.

Warranties

A new-car warranty and a ten-year anti-corrosion warranty. Ask your Saab dealer for further details.

Saab Direct

Provides free telephone information on matters relating to Saab. Offers help if you should have a problem while on the road.

Saab Genuine Accessories

let you fine-tune the car to exactly suit your needs. Find out more in our accessories brochure, available at your Saab dealer.

Relax and enjoy

We've designed a wide range of facilities that make it easy, secure and economical for you to own and drive your very own Saab.

Saab Insurance

Simplifies contacts if your car is damaged. Your Saab dealer will take care of everything from inspection to damage assessment and repairs.

Saab Assistance

Offers 24 hour assistance in most of Europe. In the unlikely event of a breakdown or serious technical problem, we'll help you on site.

Saab Price Guide

A price guide with detailed information about all the Saab 9-3 models and options are available from your Saab dealer.

Your choice

Exterior colour:

Saab shown is 9-3 Saloon Aero 2.0T. Some options and wheels are only available on certain trim levels. You can now create your own 9-3 to your exact specifications on the 'build your car' section of the Saab website, featuring all engines, colours, trim levels and options.
