

# MAZDA CX-3

GT Sport Nav+

We explore cities and winding country roads.  
Corners hugged and throttles revved.  
Windows down, radio loud, no particular place to go.  
Always forward, defying the wind.  
I am the embodiment of Jinba Ittai.  
You, the heart behind the wheel.  
We were always meant to connect,  
Like horse and rider,  
Car and driver as one.  
Together, we are stronger.  
We have a bond that words alone cannot describe.  
We never drive alone.

We drive together.

## JINBA ITTAI

There is a Japanese philosophy known as “Jinba Ittai” (horse and rider as one). It’s the relationship where the horse senses and responds to the rider’s slightest move. The Mazda CX-3 is designed around this philosophy, becoming a natural extension of your body providing you with the ability to perfectly sense the connection between the car and the road.

The special edition Mazda CX-3 GT Sport Nav+ builds upon this unique relationship between car and driver providing a sumptuous cabin, exclusive styling and a high level of equipment that makes your everyday drive safer, more comfortable and more entertaining.

The cabin of the Mazda CX-3 GT Sport Nav+ is designed to be an inviting and relaxing place to be. As you open the door you are greeted by sumptuous Red Nappa leather seats which feature front seat heating, and a power driver's seat with memory seat settings. White decorative elements adorn the cabin featuring soft-to-the-touch materials and Satin Chrome.

## COMFORT AND CONVENIENCE

Every detail within the cabin is designed by Mazda master craftsmen to ensure the Mazda CX-3 GT Sport Nav+ provides the epitome of comfort and control. Press the engine start button, grasp the gear knob and heated steering wheel to sense the soft leather in your hands. Turn up the volume on the premium Bose sound system featuring seven precisely placed speakers throughout the cabin, to hear the crispness of your favourite audio tracks. Then once you are comfortable, you can set off on your next adventure.
