MAZDA B-SERIES TRUCK

DESIGNED AND ENGINEERED THE ZOOM-ZOOM WAY!

REDISCOVER THE EMOTION OF MOTION.

ZOOM-ZOOM

INSIGHTFUL ENGINEERING

STYLISH DESIGN

SPIRITED PERFORMANCE

All children instinctively know it. A few adults still remember it. One unique car company refuses to outgrow it. In grown-up language, it means the exhilaration and liberation that come from experiencing sheer motion. But as usual, children put it much better. And simply call it "zoom-zoom". We practice it every day. It's why we build the kind of cars we do. And why you'll find the soul of a sports car engineered into everything we make...including Mazda B-Series Trucks.

In all, there are three hard-working, fun-to-drive models to choose from: The potent, go-anywhere Mazda B4000, the sporty B3000 and the economical yet durable B2300. You also get a choice of two hard-working cab configurations. The B2300 features a practical two-door cab layout, while the B3000 and B4000 offer the extra space, versatility and convenience of a Cab Plus four-door design. Perfect for sharing the excitement.

1

The responsive 4.0 L SOHC V6 in the B4000 4x4 Cab Plus cranks out a generous 207-hp and 238 lb. ft. of torque. Which means plenty of all-purpose power.

2

A dash-mounted control knob on both B4000 4x4 models makes it easy to shift on the fly into or out of 4x4 mode (up to 72 km/h) – as the terrain requires.

3

Two foldaway rear jump seats are standard on all Cab Plus models. Fold them up or down to gain more room for extra gear or passengers.

SIRIUS
SATELLITE RADIO
Hear what you want, where you want with SIRIUS satellite radio. Standard on the B4000 4x2, and available on select models.

Handsomely upholstered front bucket seats with a handy centre console are available on the B4000 4x4 SE Cab Plus with the SE Plus Package.

SHIPPING, AND PLENTY OF HANDLING.

For 4x4 versatility and tons of towing talent, look to the Mazda B4000 4x4 SE Cab Plus. You'll enjoy a gutsy 4.0 L, 207-hp V6 that generates 238 lb. ft. of torque with either the 5-speed manual transmission or available 5-speed electronically controlled automatic. You'll have the ability to shift on the fly into 4x4 mode (up to 72 km/h). And a maximum towing capacity of 5,600 lbs. (2,540 kg) when equipped with the available automatic transmission. Also on board are skid plates, air conditioning, a trailer wiring plug and handsome 16" alloy wheels mounted with beefy P255/70R16 all-terrain tires. So what are you waiting for? Get behind the wheel of a Mazda B4000 4x4 SE and handle anything that comes your way.

DRIVE TO LIVE. LIVE TO DRIVE.

To us, working hard and playing hard are two sides of the same coin. Which is why the Mazda B3000 Dual Sport Cab Plus is designed to fit any task. It serves up a spirited, 3.0 L V6 with 148-hp and 180 lb. ft. of torque. Then adds aggressive P235/75R15 all-terrain tires, gleaming 15" alloy wheels, fog lights, plus a limited slip axle. Or consider the economical Mazda B2300. It boasts a responsive, yet fuel-efficient, 2.3 L engine with 143-hp and 154 lb. ft. of torque. As well as standard features like an Anti-lock Brake System (ABS) with Electronic Brake Force Distribution (EBFD). So no matter what side of the coin you land on, count on heads-up performance from Mazda.

2008 MAZDA B-SERIES TRUCK ACCESSORIES

ACCESSORIES

Pictured above from left to right: Foldable storage box, auto-dimming mirror with compass and temperature, fog lights.

- All-weather floor mats – Charcoal black (set of two)

LS = Limited-slip axle
 * The Gross Combined Weight Rating (GCWR) is the maximum allowable combined weight of vehicle, trailer, passengers and cargo.
 † Trailer weights shown are maximums and must be reduced by the weight of any passengers, cargo, hitch, or optional equipment in the towing vehicle. The following equipment may also be required: load-carrying hitch for trailers over 907 kg (2,000 lbs). Towing a trailer will have an effect on the vehicle's handling, braking and durability, performance and driving economy.
 For specific information on recommended or required equipment, see your Mazda Dealer.

*Payload is the maximum allowable weight of people, cargo and body equipment and is reduced by the weight of optional equipment.

MAZDA WARRANTY The basic warranty on the Mazda B-Series Truck covers all parts found to be factory defective for 3 years or 60,000 km, whichever comes first. Additional warranties cover powertrain components for a period of 5 years or 100,000 km, whichever comes first, body sheet metal perforation for 5 years and unlimited mileage and specific emission control components for up to 8 years or 128,000 km. Exclusions from coverage are limited to maintenance items or adjustments (repairs not requiring parts replacement) on vehicles over 12 months old and repairs due to normal wear and tear. Ask your Mazda Dealer for additional information.

ROADSIDE ASSISTANCE PROGRAM As part of our commitment to your total satisfaction, 2008 Mazda B-Series Truck owners are automatically enrolled in our Roadside Assistance Program. Roadside Assistance protects your Mazda B-Series Truck for the duration of the 3-year basic limited warranty. Should you require assistance during this period, our service will help to get your vehicle back on the road and minimize any inconvenience. For complete details on this program, see your Mazda Dealer.

MAZDA MOBILITY ASSISTANCE PROGRAM Mazda Canada believes that vehicle access is vital for everyone. Under this program, physically-challenged customers who purchase or lease a new, unused Mazda vehicle may be eligible to receive assistance from Mazda Canada Inc. to aid with the cost of acquiring and installing adaptive driving aids on their vehicle. For complete details on this program, see your Mazda Dealer.

MAZDA TEST-DRIVE EXPERIENCE Exhilaration begins with the Mazda Test-Drive Experience – a uniquely designed road trip engineered to take you miles beyond the ordinary test-drive. Down local streets, on-ramps, highways and off-ramps. Through straightaways, S-curves and corners. It's all about putting a Mazda to the test under real-world conditions. It's about discovering the superb acceleration, braking, steering, handling and ride quality that every Mazda offers. And rediscovering that fun, connected-to-the-road feeling we call "zoom-zoom".

READY TO ROLL Our pre-delivery commitment means every new Mazda is checked out, gassed up and fitted with floor mats.

For peace-of-mind motoring, we've created the Mazda Added Protection Plan (M.A.P.). M.A.P. complements your Mazda Limited Warranty for up to 7 years or 160,000 km, and protects you from unexpected repair expenses and the rising cost of repairs. All M.A.P. plans include Personal Budget and Repair Inflation Protection. In addition, all M.A.P. plans include Premium Roadside Assistance, which extends the roadside assistance coverage offered during the new-vehicle limited-warranty period throughout the M.A.P. term. The Premium Roadside Assistance offers Towing, Winching, Battery Boost, Out-of-Fuel Coverage, Tire Service, Lockout Service, Emergency Travel Expense Reimbursement and Travel Planning and Dealer Locator. Should you ever decide to sell your Mazda vehicle, M.A.P. is transferable to future owners and will enhance the resale value of your vehicle. The Mazda Added Protection Plan is fully backed and administered by Mazda Canada Inc. For more information, please contact your Mazda Dealer.

MAZDA GRADUATE PROGRAM Ask your dealer about Mazda's competitive program for recent university and college graduates.

Product changes and options availability: Following publication of this brochure, certain changes in standard equipment, options, prices and the like, or product delays may have occurred which would not be included in these pages. Your Mazda Dealer is your best source for up-to-date information. Mazda reserves the right to change product specifications at any time without incurring obligations. Options and accessories shown or described in this brochure are available at extra cost and may be offered only in combination with other options or subject to additional ordering requirements or limitations. E. & O. E.
