Designed around the driver to offer exceptional levels of comfort and control, the generously proportioned interior has a spacious and clean layout. The interior delivers the highest levels of craftsmanship and style, every detail is cleverly co-ordinated with the use of high quality materials from the piano black, high gloss and carbon-fibre effect finishes to the satin chrome accents. An advanced infotainment and connectivity system (available on selected models) provides access to a range of features and applications, with minimal effort leaving you safe to enjoy the road ahead. Controlled via the 7" colour touchscreen display and the intuitive Multimedia Commander, you can enjoy the all-new Mazda2's multimedia system, connect your mobile device to access thousands of internet radio stations and even keep up to date with Facebook and Twitter*.

COMPACT AND CLEVER

All-new Mazda2 embodies Mazda's legendary 'fun to drive' DNA. Featuring the complete range of award-winning SKYACTIV Technologies, it delivers performance and efficiency combined, for a responsive, agile and sporty driving experience.

SKYACTIV TECHNOLOGY

SKYACTIV Technology is all about fuel economy, low emissions and the all-important 'fun to drive' element. Embracing all technologies - engines, transmissions, chassis and body - it's an approach that completely re-imagines the car from the ground up. Thanks to SKYACTIV Technology, all-new Mazda2 delivers a true mix of driving pleasure, balanced with outstanding environmental and safety performance.

MAKE OUR MAZDA YOURS

Combining our award-winning SKYACTIV Technology and stunning KODO - Soul of Motion design, the all-new Mazda2 delivers a responsive, agile and dynamic drive. Packed with the latest connectivity and safety technology, the only decision you will need to make is which model to choose?
