AWARD-WINNING DESIGN

All-new Mazda MX-5 is the latest embodiment of the world's bestselling two-seater sports car. Already winning awards for its stunning KODO: Soul of Motion design it features all the refinements you'd expect in performance, technology and economy thanks to our award-winning SKYACTIV Technology. Get ready for pure exhilaration.

PURE PASSION. PURE ROADSTER.

All-new Mazda MX-5 enhances the pure joy of driving with its superior power-to-weight ratio, outstanding dynamic agility, rear wheel drive and perfect 50:50 weight distribution. Lighter than the previous generation, it offers extra performance, improved fuel economy and reduced emissions. Going back to its roots, it embodies everything this lightweight sports car has become famous for and more.

Model shown is all-new Mazda MX-5 160ps Sport Nav with optional Soul Red Metallic paint available at additional cost.

EVOLUTION OF AN ICON

All-new Mazda MX-5 is the most compact MX-5 ever to be produced: shorter and lower but also wider it offers a more aggressive, sculptured yet simple look, whilst retaining the classic roadster styling. Slim, sharp LED headlights have been designed to provide a more focused and confident appearance, whilst bold alloy wheels finish the pure roadster design. One look is enough to set your pulse racing.

Model shown is all-new Mazda MX-5 160ps Sport Nav with optional Soul Red Metallic paint available at additional cost.

READY TO THRILL

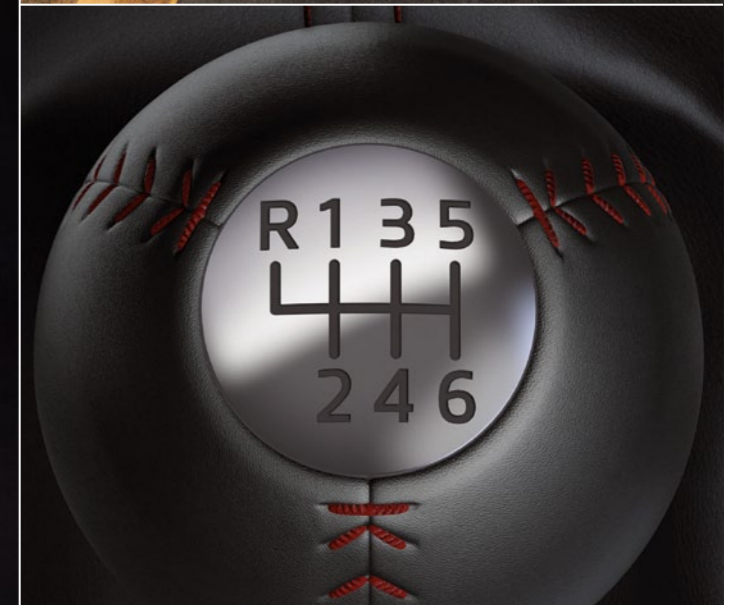

Inspired by powerful animals in motion, all-new Mazda MX-5 expresses its exhilarating handling ability through its stunning design. The integrated rear bumper creates a sense of energy, hinting at the thrilling power of the rear wheel drive. Whilst the low-slung look conveys a sense of muscular strength with an ability to move instantly in any direction.

A TRUE OPEN-TOP EXPERIENCE

Designed with the driver in mind, the interior of all-new Mazda MX-5 offers sumptuous levels of quality craftsmanship along with the latest in-car infotainment system. The exterior body colour flows elegantly over the door* whilst a premium leather steering wheel and short throw gear shift provide tactile luxury. Completing the look, a flourish of aluminium detail sparkles on the air vents and door handles.

INTELLIGENCE AT YOUR FINGERTIPS

Positioned high on the centre of the dashboard, close to the driver's natural line of sight, is the 7" colour touch-screen display[^]. This screen puts information and entertainment at your fingertips and displays a range of useful information, including access to internet applications* and the eco-driving display screen.

CONNECTIVITY AT YOUR COMMAND

Experience the perfect combination of information, connectivity and entertainment in all-new Mazda MX-5. Available from SE-L models is MZD-Connect, an advanced infotainment and connectivity system that provides access to a range of features and applications. Connectivity is key in all-new Mazda MX-5 and via a compatible mobile device you can access thousands of internet radio stations from around the world, safely check and reply to text messages, and even keep up to date with Facebook and Twitter*. Enjoy listening to your favourite radio stations via DAB radio or stream your choice of music via a Bluetooth® connection. And all this is easily and safely controlled using the 7" colour touch-screen display and the intuitive Multimedia Commander, leaving you to concentrate on enjoying the drive.

MULTIMEDIA COMMANDER

Located between the driver and front passenger, the Multimedia Commander allows you to operate the infotainment and connectivity system with minimal effort, including a separate volume dial for easy adjustment. Ensuring you can concentrate on enjoying the drive.

The MZD-Connect system is divided into five sections as displayed on the home screen.

COMMUNICATION

- Easily and safely make and receive phone calls via the integrated Bluetooth® functionality*
- Receive texts and reply with programmable pre-defined responses*
- Access previous call history or contact information*

NAVIGATION (Standard on SE-L Nav and Sport Nav models)

- Choice of routes - fastest, shortest, most economical and easiest
- Choose between 2D or 3D map view
- Point of interest search
- 3-years free European map updates

ENTERTAINMENT

- AM / FM / DAB radio, CD / MP3, USB, AUX, Bluetooth® audio transfer
- Listen to a connected device, such as an iPod® or USB storage device
- Aha™ and Stitcher™ apps for internet radio, Facebook and Twitter*

APPLICATIONS

- Fuel economy monitoring
- View service and maintenance information
- View vehicle warnings

SETTINGS

- Easily adjust audio, vehicle and other settings

*With compatible mobile device. Data usage and costs will vary. Please refer to the footnote on page 38 for more information. ^Excludes SE.

CRAFTSMANSHIP FOR THE DIGITAL AGE

Every feature inside all-new Mazda MX-5 reflects the attention to detail that our designers and engineers craft into every Mazda. An array of cleverly designed technologies – including the 7" colour touch-screen display, Multimedia Commander, premium Bose® sound system and integrated satellite navigation system* are available to enhance your driving experience, wherever you decide to go and whatever the traffic conditions.

KEEPING YOU IN CONTROL

The surprisingly spacious interior of all-new Mazda MX-5 reflects the skill and craftsmanship of our designers to deliver a premium and driver-focused environment. Settle into the driver's seat and see how the cockpit embraces you, bringing all controls and dials within easy reach, and displaying essential driving information in the stylish instrument panel. Sport and Sport Nav models feature a selection of precisely positioned Bose® speakers, including two in each of the headrests, offering sharp and impressive sound quality, whether you are listening to the latest DAB radio station or streaming via the Bluetooth® connection. Combining driving thrills and innovative technology, all-new Mazda MX-5 has been designed to ensure a driving experience like never before.

BOSE® SOUND SYSTEM

Nine premium Bose® speakers are precisely positioned throughout the all-new Mazda MX-5 Sport models, allowing you to play your music with the power of a live performance roof up or down with superb sound quality.

1. Two 2.5 cm neodymium tweeters in the A-pillars.
2. Two 16.5 cm wide range speakers in the doors.
3. Four 5 cm UltraNearfield® speakers in the seat headrests.
4. One 13 cm woofer in a 6-litre custom engineered bass enclosure, located under the right foot well.
5. Digital amplifier below the convertible top storage space with Bose® Digital Signal Processing: seven channels of custom equalization with automatic sound optimisation for top up and top down situations, AudioPilot®2 Noise Compensation Technology and TrueSpace® signal processing circuitry.

SATELLITE NAVIGATION

Plan your journey quickly and easily with the integrated satellite navigation system. Select your choice of routes from fastest, shortest and most economical and stay up-to-date with 3-years free European map updates. (Standard on SE-L Nav and Sport Nav models).

Using your mobile phone as a WiFi hotspot, you can also upgrade to Premium Connected Services[^], which is a subscription-based package that makes travelling much easier and more enjoyable. Search for fuel stations by location or pricing, receive warnings of upcoming traffic jams, get detailed weather summaries and forecasts, and find information on places of interest - for wherever you are and wherever you are going. (Available on SE-L Nav and Sport Nav models).

*Integrated navigation is standard on SE-L Nav and Sport Nav models. Bose® audio is standard on Sport and Sport Nav models. 7" colour touch-screen display and Multimedia Commander are not available on the SE model.
[^]With compatible mobile device. Data usage and costs will vary. Please refer to the footnote on page 38 for more information.

CREATED TO EXCITE

Mazda's groundbreaking SKYACTIV Technology has redefined the efficiency, power and performance of our cars. All-new Mazda MX-5 is no exception, combining the perfect balance of driving enjoyment and efficiency, which continues to prove how we create cars that defy convention.

SKYACTIV TECHNOLOGY

SKYACTIV ENGINES

Put your foot down and experience heart-thumping straight-line acceleration.

SKYACTIV TRANSMISSION

Lightweight, fast and accurate, the SKYACTIV-MT manual gearshift makes you feel intimately connected to the performance of the car.

SKYACTIV BODY AND CHASSIS

Rigid and lightweight, perfectly balanced and finely tuned - it's the fun-to-drive formula for pure exhilaration.

INTELLIGENCE LIES WITHIN

All-new Mazda MX-5 embodies Mazda's legendary 'fun to drive' DNA. Featuring the complete range of award-winning SKYACTIV Technologies, it delivers performance and efficiency combined, for a responsive, agile, sporty driving experience.

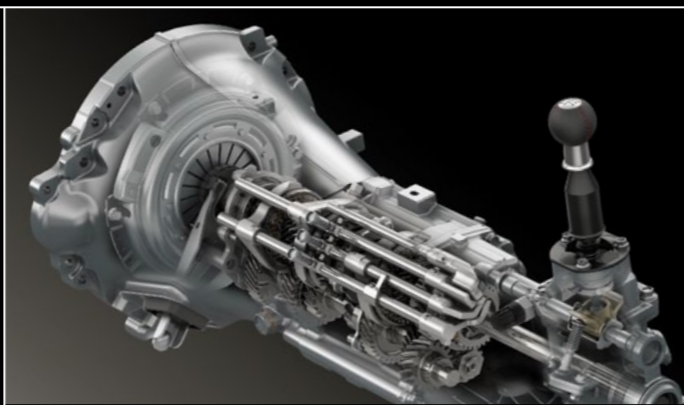

SKYACTIV TECHNOLOGY

SKYACTIV Technology is all about fuel economy, low emissions and making driving more fun. Embracing all the technologies – engines, transmissions, chassis and body – it's an approach that completely reimagines the car from the ground up. Coupled with rear wheel drive, 50:50 weight distribution and a lower centre of gravity, SKYACTIV Technology enables all-new Mazda MX-5 to deliver its thrilling driving experience, balanced with outstanding environmental and safety performance.

NEW BENCHMARKS FOR PERFORMANCE

MX-5 offers two specially tuned versions of Mazda's 13:1 compression ratio SKYACTIV-G petrol engine. Mounted longitudinally for improved driving dynamics, they are designed exclusively for the MX-5's rear-wheel drive layout.

MORE POWER TO YOUR WHEELS

With a short shift and light feel, the SKYACTIV-MT six-speed manual gearshift is made for all-new Mazda MX-5. Not only is it crisp and responsive, but Mazda's advances in weight reduction and friction loss result in reduced fuel consumption, too.

PRECISE AND COMFORTABLE HANDLING

The SKYACTIV-CHASSIS delivers exceptional handling and stability. Coupled with double-wishbone suspension at the front and a multi-link arrangement at the rear, our chassis design enhances ride comfort while allowing for nimble steering and a fluid, powerful driving sensation.

WHEN BODY MEETS SOUL

SKYACTIV-BODY offers you protection, comfort and fuel efficiency. Using high-tensile steel to be more rigid and yet lighter than the previous Mazda MX-5, the body improves driving comfort and fuel economy while offering a sporty driving experience.

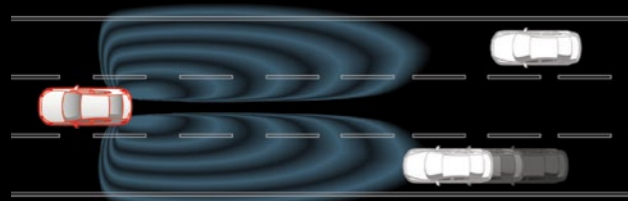

THE SAFEST PLACE ON THE ROAD

All-new Mazda MX-5 contains an array of intelligent safety technologies that are designed to help you relax and enjoy the drive. This is thanks to the i-ACTIVESENSE technologies, an intelligent collection of safety features that use sensors and cameras to monitor your surroundings and provide protection and convenience.

ADVANCED SAFETY TECHNOLOGY

Engineered from the ground up to provide comprehensive all-round protection for you and your passenger, the active and passive safety systems in all-new Mazda MX-5 work together to warn you of impending dangers, meaning less chance of a collision.

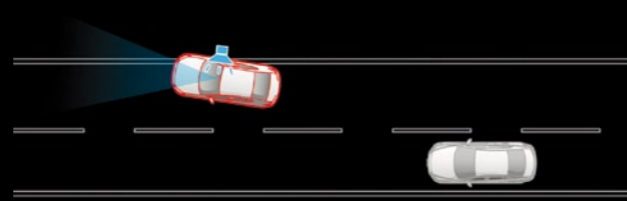

Combined with the rigid body, each technology of the i-ACTIVESENSE system ensures you remain safe, without reducing comfort or the wind in your hair thrills of MX-5. Pedestrian safety is also improved, with the Deployable Hood System raising the bonnet during a collision, increasing the crumple zone between the pedestrian and the engine. Inside, all-new Mazda MX-5 is fitted with front and side airbags as standard and also provides significantly enhanced visibility thanks to the carefully positioned seats for that extra peace of mind.

BLIND SPOT MONITORING SYSTEM WITH REAR CROSS TRAFFIC ALERT*

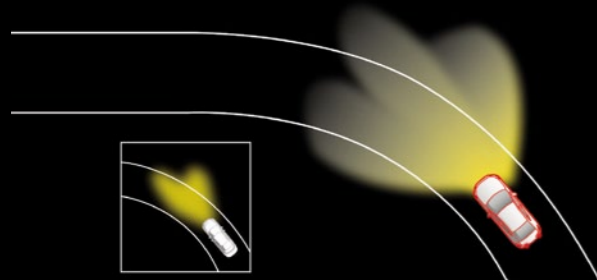

Warns you of a vehicle entering a detection zone situated up to 50 metres behind, by activating a door-mirror mounted warning light on the relevant side of the vehicle. If you then indicate prior to turning in that direction, the warning light flashes and an audible alert sounds. Working at speeds as low as 20mph, this system can prevent drivers from moving into the path of a following vehicle.

Rear Cross Traffic Alert is designed for when you are reversing. An alarm alerts you of any vehicles or obstacles approaching from either side of the rear of the car, and stops once the area is clear.

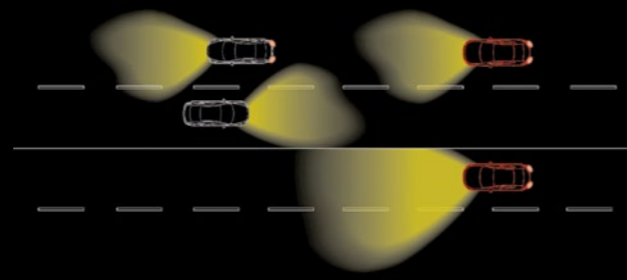

LANE DEPARTURE WARNING SYSTEM

Designed to warn the driver if the vehicle inadvertently strays from its lane. A front-view camera monitors the road ahead and calculates the car's position relative to the lane markings. Should the system detect that the car is about to unintentionally move out of lane, it emits an audible warning sound to alert the driver. (Standard on Sport and Sport Nav models).

ADAPTIVE FRONT LIGHTING SYSTEM

Increase visibility when driving at night with the Adaptive Front lighting System. The system adjusts the LED headlights when cornering to illuminate more of the road ahead, which could increase your ability to react to any potential obstacles. (Standard on Sport and Sport Nav models).

HIGH BEAM CONTROL*

Automatically switches between high and low beams according to traffic conditions. The system detects the headlights of oncoming vehicles or rear lights of those travelling ahead and switches to low beam so as not to blind other drivers, then switches back to high beam once the road is clear.

Mazda MX-5 SE

STANDARD FEATURES:

- 16" Alloy wheels
- Electrically-adjustable heated door mirrors
- LED headlights
- Coming home / leaving home lights
- Halogen daytime running lights
- Electric windows
- Black cloth seat trim
- Steering wheel-mounted audio controls
- Leather-wrapped steering wheel and gear knob
- Engine start / stop button
- AM / FM radio with 4 speakers, CD player, USB and iPod® connectivity
- Manual air-conditioning
- Trip computer
- Remote keyless entry
- Black fashion bars
- Driver and passenger front and side airbags
- Dynamic Stability Control
- Traction Control System
- Hill Hold Assist

OPTIONS:

- Metallic / Mica / Pearlescent paint

LED HEADLIGHTS

Striking LED headlights enhance the stylish looks as well as improving visibility.

ENGINE START / STOP BUTTON

Allows you to conveniently start or stop the engine without having to insert the key.

16" ALLOY WHEELS

Dynamic and stylish alloy wheels help to give your car a sense of power and stability whilst also looking great.

MANUAL AIR-CONDITIONING

Allows you to easily adjust the temperature of the interior.

Model shown is all-new Mazda MX-5 131ps SE with standard Arctic White Solid paint.

MAZDA MX-5

SE-L NAV

IN ADDITION TO 131PS SE GRADE:

- LED daytime running lights
- Climate control air-conditioning
- Cruise control
- Adjustable speed limiter
- 7" Colour touch-screen display
- Multimedia Commander
- Integrated Bluetooth® with steering wheel-mounted controls
- Internet app integration for internet radio, Facebook and Twitter*
- DAB radio
- Two drivers headrest speakers (total of 6 speakers)
- Body colour co-ordinated interior upper door trim
- Piano Black fashion bars
- Integrated navigation system with 3-years free European map updates

IN ADDITION TO 131PS SE-L NAV, 160PS SE-L NAV ADDS:

- 17" Gunmetal alloy wheels
- Piano black door mirrors
- Limited Slip Differential

OPTIONS:

- Metallic / Mica / Pearlescent paint

7" COLOUR TOUCH-SCREEN DISPLAY

Places information and entertainment at your fingertips.

CLIMATE CONTROL AIR-CONDITIONING

Provides a comfortable driving environment with stylish satin chrome dials.

LED DAYTIME RUNNING LIGHTS

Improve safety and are more efficient than dipped headlights.

MY MAZDA APP

Hold your smartphone or tablet over the QR code to download the My Mazda app. Designed exclusively for Mazda owners, it lets you access important vehicle information, as well as being able to locate your nearest Mazda dealer and track your vehicle service history.

SERVICE AND WARRANTIES

Just like the cars themselves, the services we offer are designed to provide you with a first-class ownership experience. Every new vehicle is covered by a 3-year warranty for up to 60,000 miles, including a 3-year paintwork warranty, and a 12-year perforation warranty. We also offer Extended Warranties to extend the cover for your Mazda. Mazda Roadside Assistance offers cover in the event you require breakdown assistance, your vehicle is stolen or is involved in an accident.

The maximum service interval for your Mazda is 12,500 miles or 12 months whichever occurs first, however, the servicing intervals may reduce based on the style of driving and the conditions under which your vehicle is operated.

FREE MAZDA ACCIDENT AFTERCARE

Mazda Accident Aftercare is designed to assist you following a road traffic accident. Call Mazda First after an accident and they will liaise directly with your insurer to process the claim and ensure that your vehicle is repaired at a Mazda approved bodyshop using only genuine Mazda parts, additional benefits include providing you with a free courtesy car and maintaining your Mazda warranties.

MAZDA CONTRACT HIRE*

Mazda Contract Hire offers low running costs with market-driven residual values, resulting in extremely competitive ownership costs for businesses and individuals. To find out more about the benefits of Mazda Contract Hire, please speak to your Mazda dealer or phone 0844 600 1410.

Mazda Contract Hire is provided by ALD Automotive Limited, trading as Mazda Contract Hire, Oakwood park, Lodge Causeway, Fishponds, Bristol, BS16 3JA. Guarantees / Indemnities may be required. ALD Automotive Limited is incorporated in the UK and regulated by the Financial Services Authority in respect of general insurance products.

FINANCE

As well as vehicle warranty and service plans, we offer finance packages to help ensure a rewarding ownership experience. Mazda Financial Services provides a variety of finance products to suit the needs of both private and business customers.

WHAT YOU CAN EXPECT FROM MAZDA FINANCIAL SERVICES:

- Assistance in renewing your car. We'll help you choose the right finance package to enable you to renew your Mazda car as often as you would ideally like
- Fixed Interest Rates. The interest rate on your loan is fixed for the duration of the agreement
- Flexible terms tailored to your motoring needs. As specialists in Mazda vehicles we aim to tailor a finance package to both your budget and your motoring / ownership needs

Please ask your sales executive for a tailor-made finance quote for your new car.

MAZDA FINANCIAL SERVICES FINANCE PLANS:

MAZDA CONDITIONAL SALE:

The traditional way of buying your car. Mazda Conditional Sale is a simple way of financing that provides you with certainty due to a fixed interest rate and fixed monthly repayments throughout the agreement. Your initial deposit and repayment period can be structured to help meet your budget and the length of time you expect to keep the car. You can trade in your existing vehicle and put this towards the initial deposit, or if you wish, just put down a cash deposit. At the end of your contract, when all repayments have been made, the car is yours.

OUR COMMITMENT TO YOU AND YOUR MAZDA

Mazda makes cars that excite, look beautiful, are fun to drive and make you want to drive them again and again.

We are passionate about delivering complete motoring confidence and a first-rate ownership experience.

MAZDA PERSONAL CONTRACT PURCHASE:

The finance plan that helps you change your Mazda car at more regular intervals. Personal Contract Purchase is similar to a Conditional Sale agreement but with additional flexibility since part of the vehicle cost is deferred until the end of the agreement which may give you the benefit of lower monthly repayments. The deferred amount is known as the Guaranteed Future Value or Optional Final Payment.

At the end of your contract, when all repayments have been made, you then have three options:

- Renew: Choose another Mazda. Use any excess value above the Optional Final Payment towards a deposit for another Mazda. You can trade in your car at any time or sell it privately having settled your account
- Retain: Keep the car. Simply pay the Optional Final Payment, and the car is yours
- Return your car: There's nothing more to pay if the car's in good condition and within the agreed mileage

Finance subject to status. Terms and conditions apply. You will not own the vehicle until all payments are made. 18s and over. Guarantee may be required. Mazda Financial Services RH1 1SR.

SKYACTIV TECHNOLOGY – HELPING YOU STAY EFFICIENT

Although we develop exciting cars that are fun to drive, we are equally committed to the environment and to the creation of a sustainable future for all. Our ongoing sustainability programmes are dedicated to the development of clean technologies. Our SKYACTIV Technology range includes engines, transmissions, chassis and body designs, which deliver fuel-efficient and economical driving. Our engines deliver the perfect combination of performance and improved driving economy by being lighter and more fuel-efficient than many of our competitors.

CUSTOMER EXPERIENCE

Start your journey with Mazda using the Configurator on the Mazda website. It lets you customise a digital vehicle, letting you choose from a selection of engines, trims, exterior colours and accessories. Discover the benefits of becoming part of the community that defies convention with My Mazda - the online home for all Mazda owners. The service lets you view and update your personal information using the Mazda Digital Service Record (DSR), which provides security against counterfeit service documents and guarantees a secure, accurate and permanent service history for the life of the vehicle. Or why not explore Facebook, Twitter and YouTube for even more Mazda related material. Whatever journey you take with Mazda, we'll make sure it's a unique and gratifying experience.
