

2006 **mazda3**

DRIVING

BREAKING

ALL EXPECTATIONS.

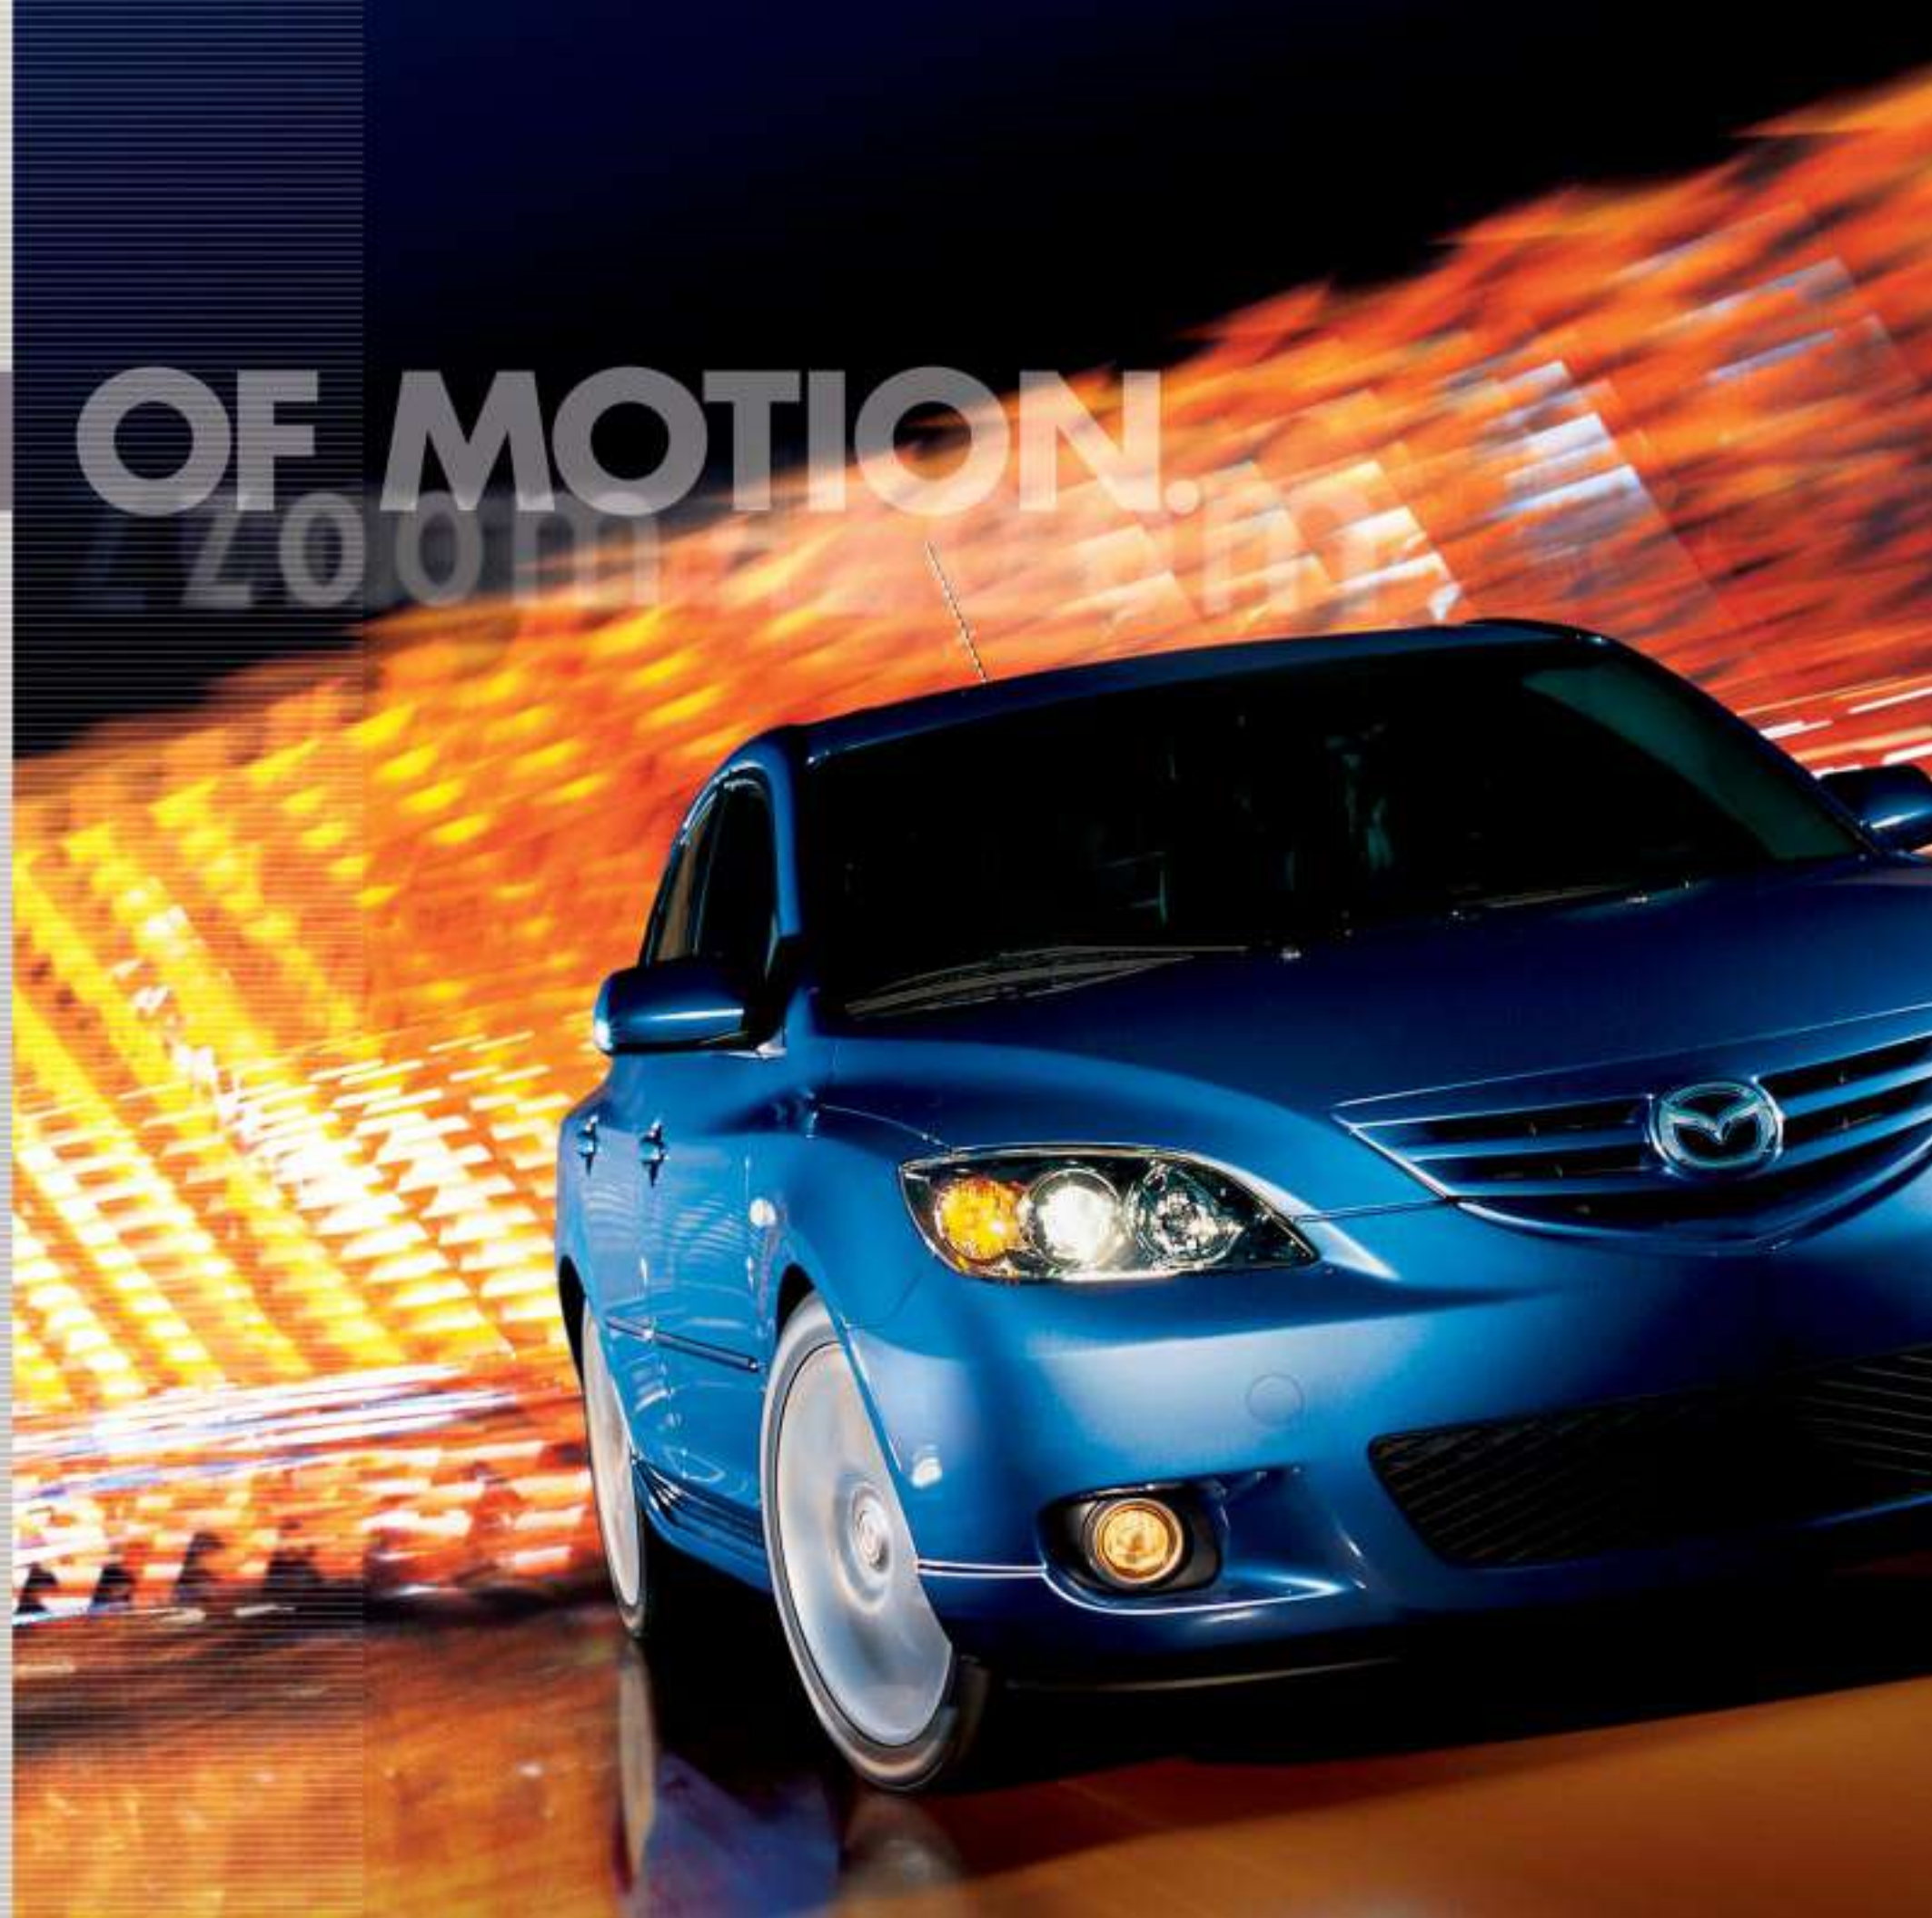

zoom-zoom

REDISCOVER THE EMOTION OF MOTION.

All children instinctively know it. A few adults still remember it. One unique car company refuses to outgrow it. In grown-up language, it means the exhilaration and liberation that comes from experiencing sheer motion. But as usual, children put it much better. And simply call it "zoom-zoom." We practice it every day. It's why we build the kind of cars we do. And why you'll find the soul of a sports car engineered into everything we make... especially the critically acclaimed Mazda3 and Mazda3 Sport.

Both of these award winners can transform the most ordinary drive into an exhilarating journey. Treat yourself to the Mazda Test-Drive Experience and you'll soon discover steering that's firm and precise. A suspension that has been tuned to tightly grip the road. And exceptional stability that impresses even the toughest automotive critics.

IT CUTS **CORNERS.**

Great design is a Mazda tradition. And the Mazda**3** is no exception. Sharing the same "zoom-zoom" gene pool as the MX-5 Miata, Mazda**6** and RX-8, the Mazda**3** redefines the meaning of compact sedan. Its modern design serves up the kind of sporty good looks, responsive performance and crisp handling you might expect from cars commanding thousands more. Plus a choice of two body styles: A striking four-door sedan and an athletic hatchback sport model. From its stylish curves and fun-to-drive performance to its accommodating interior with a host of standard features, the Mazda**3** drives beyond all expectations.

WITHOUT CUTTING ANY CORNERS.

You've waited too long to settle for some bland, boring econobox. So give this proven wait-loss plan a try. Simply park yourself behind the wheel of a new Mazda3 Sport for a test-drive. Tons of other contenders suddenly disappear from your memory. You're now enveloped by a far more enticing silhouette. Moved by the brisk response of an advanced 160-hp engine with variable-valve timing. And impressed by an interior so well-designed there are even steering wheel-mounted controls for the audio and cruise control systems (GT only). But then, in a new Mazda3 Sport, instant gratification – and pure exhilaration – are always within easy reach.

INSTANTLY.

GRATIFICATION IS BEST SERVED

AND WELL-DONE.

A. The Mazda3's fully-independent suspension system promotes nimble handling and impressive ride comfort – MacPherson struts up front, an advanced multi-link design in the rear, plus front and rear stabilizer bars.

B.

B. To help provide linear, fade-resistant stopping power, every Mazda3 and Mazda3 Sport is equipped with power-assisted, 4-wheel disc brakes. An advanced Anti-lock Brake System (ABS) with Electronic Brake Force Distribution (EBFD) is also standard on the Mazda3 GS with Sport package, GT and Mazda3 Sport.

BRING YOURSELF

UP TO SPEED.

C. and D. For optimum convenience and fun, a new 5-speed *Sport* mode automatic transmission that also allows you to sequentially shift gears up or down is available on the Mazda3 GT and both Mazda3 Sport models.

Go ahead. Step on the gas. Feel how enthusiastically the Mazda3's responsive powertrain executes your command. Now, grab the next gear. Suddenly, you're moved to a more exuberant state of mind. Propulsion for both the Mazda3 Sport and Mazda3 GT is provided by a 160-hp, 16-valve, 2.3-litre powerplant. The Mazda3 GX and GS boast a spirited, yet fuel-efficient, 150-hp, 16-valve, 2.0-litre engine. Both are sophisticated, all-aluminum designs that utilize variable-valve timing to maximize low-end torque and high-rpm power. For smoother shifting, a precise 5-speed manual gearbox featuring double-cone synchronizers is standard on both powertrain offerings.

QUALITY AND
LUXURY
ALSO RUN IN THE FAMILY.

The Mazda3 Sport's insightful versatility and bold, take-no-prisoners profile is turning the world of sporty compacts inside out. With fresh, new ideas designed to empower your sense of style and adventure – in both form and function. Inside, you'll find several unexpected ways available to make the Mazda3 Sport yours alone. Including a 6-disc in-dash CD changer, heated driver and front passenger seats and leather interior. Outside, you'll find standard features that telegraph your good taste – including side sill extensions, sporty bumpers, fog lights and a roof-mounted antenna. Plus, our Mazda3 Sport GT comes standard with 17" alloy wheels, a rear spoiler and LED tail lights. All of which help make the Mazda3 Sport more fun, more stunning and more you.

It's easy to get excited behind the wheel of a Mazda3. Features like a tilt and telescopic steering wheel and external temperature gauge are always standard. Plus, each model has its own unique list of conveniences that are also available in special packages. Enjoy features like a 6-speaker AM/FM/CD player, a steering wheel with integrated audio controls, power door locks and windows, automatic headlights, rain-sensing wipers and a driver's seat with adjustment for height and lumbar support. You can even get leather upholstered heated front seats as well, a leather-wrapped steering wheel and shifter. Choose the Mazda3 that's right for you. Finally, a sporty compact where quality, luxury and craftsmanship are all part of the ride.

A.

B.

C.

D.

A. Every Mazda3 features a steering wheel that tilts and telescopes. Both features help promote greater control and help ensure that you'll find a driving position that's comfortable for you. **B.** Audio controls for the AM/FM/CD players are mounted on the steering wheel and come standard on most models. Steering wheel-mounted cruise controls are also available on the GS with Power package for Mazda3 sedan and for GT models. **C.** A power sliding-glass moonroof with integral sunshade is available on most Mazda3 and Mazda3 Sport models. Its dual-purpose design allows you to slide it open, or tilt it up for a better view and/or ventilation. **D.** Tri-mode electrochromic gauges, which are available on the Mazda3 GT and Mazda3 Sport, provide a shining example by displaying three different colour combinations to indicate daytime, nighttime or vehicle entry status.

IS AN INSIDE JOB.

EXHILARATION

ION

REAL VALUE IS A
BEAUTIFUL THING.

If value is at the top of your shopping list, the Mazda3 sedan belongs there, too. Outside, you'll find distinctive exterior styling touches like body-coloured side mouldings and door handles (standard on the GS and GT) and body-coloured mirrors (available on GS model and standard on GT). Inside, features include seating for five, dual front cup holders and rear door bottle holders. There's even a lockable 60/40 split fold-down rear seat. And most models have a handy trip computer to inform you about fuel economy, fuel range and your average speed. For spirited performance, there's a 150-hp, 16-valve, 2.0-litre engine with variable-valve timing, which (with a slick-shifting 5-speed manual gearbox) delivers a frugal 8.4L per 100 km City and 6.1L per 100 km Highway. It's a beautiful way to make both your paycheques and fill-ups go a long way.

A. A versatile rear area cargo management system* in the Mazda3 Sport makes it easier to organize and protect everything from sports equipment and tools to outdoor gear and groceries. **B.** A 60/40 split fold-down rear seatback is standard on all Mazda3 models. This ultra-practical feature allows you to accommodate both a rear-seat passenger plus larger, longer types of cargo.

*Please remember to properly secure all cargo.

A. MAZDA'S TRIPLE "H" CONSTRUCTION adds extra steel reinforcements to critical body areas to enhance impact protection, structural integrity and handling in all situations.

B. EXTENSIVE CRUMPLE ZONES, both front and rear, help the Mazda3 and Mazda3 Sport to absorb the energy of a collision and better protect occupants.

C. DUAL FRONT AIR BAGS* are standard on every Mazda3 and Mazda3 Sport.

D. MAZDA'S "FOLD-AWAY" PEDAL ASSEMBLY is specially engineered to help minimize the chance of the driver sustaining a serious ankle or leg injury in an accident.

E. SIDE DOOR IMPACT PROTECTION BEAMS, in all four doors, help absorb energy and promote cabin integrity in the case of a collision.

In addition to a stunning silhouette, every Mazda3 and Mazda3 Sport also surrounds its driver and passengers with a tour de force of advanced and integral safety features. From the unseen safety engineering of its key structural reinforcements, sophisticated supplemental restraint systems and 4-wheel disc brakes to more obvious features like its side-mounted turn-signal repeater lights, adjustable front seat headrests, and 3-point safety belts for all seating positions, it's clear that safety is a top priority at Mazda. But then, around these parts, exhilarating performance and driving safety have always been part of the same equation.

*Always wear your safety belt and secure children in the rear seats.

OUR COMMITMENT TO SAFETY IS EASY TO SEE.

MAZDA WARRANTY The basic warranty on the Mazda3 and Mazda3 Sport covers all parts found to be factory defective for 3 years or 80,000 km whichever comes first. Additional warranties cover powertrain components for a period of 5 years or 100,000 km whichever comes first, body sheet metal perforation for 5 years and unlimited mileage and specific emission control components for up to 8 years or 128,000 km. Exclusions from coverage are limited to maintenance items or adjustments (repairs not requiring parts replacement) on vehicles over 12 months old and repairs due to normal wear and tear. Ask your Mazda Dealer for additional information.

ROADSIDE ASSISTANCE PROGRAM As part of our commitment to your total satisfaction, 2006 Mazda3 and Mazda3 Sport owners are automatically enrolled in our Roadside Assistance Program. Roadside Assistance protects your Mazda3 and Mazda3 Sport for the duration of the 3-year basic limited warranty. Should you require assistance during this period, our service will help to get your vehicle back on the road and minimize any inconvenience. For complete details on this program, see your Mazda Dealer.

MAZDA MOBILITY ASSISTANCE PROGRAM Mazda Canada believes that vehicle access is vital for everyone. Under this program, physically-challenged customers who purchase or lease a new, unused Mazda vehicle may be eligible to receive assistance from Mazda Canada Inc. to aid with the cost of acquiring and installing adaptive driving aids on their vehicle. For complete details on this program, see your Mazda Dealer.

MAZDA TEST-DRIVE EXPERIENCE Exhilaration begins with the Mazda Test-Drive Experience — a uniquely designed road trip engineered to take you miles beyond the ordinary test-drive. Down local streets, on-ramps, highways, and off-ramps. Through straightaways, S-curves and corners. It's all about putting a Mazda to the test under real-world conditions. It's about discovering the superb acceleration, braking, steering, handling and ride quality that every Mazda offers. And rediscovering that fun, connected-to-the-road feeling we call "zoom-zoom."

READY TO ROLL Our pre-delivery commitment means every new Mazda is checked out, gassed up, and fitted with floor mats.

For peace of mind motoring, we've created the Mazda Added Protection Plan (M.A.P.). M.A.P. complements your Mazda Limited Warranty for up to 7 years or 160,000 km, and protects you from unexpected repair expenses and the rising cost of repairs. All M.A.P. plans include Personal Budget and Repair Inflation Protection. In addition, all M.A.P. plans include Premium Roadside Assistance, which extends the roadside assistance coverage offered during the new vehicle limited warranty period throughout the M.A.P. term. The Premium Roadside Assistance offers Towing, Winching, Battery Boost, Out-of-Fuel Coverage, Tire Service, Lockout Service, Emergency Travel Expense Reimbursement and Travel Planning, and Dealer Locator. Should you ever decide to sell your Mazda vehicle, M.A.P. is transferable to future owners and will enhance the resale value of your vehicle. The Mazda Added Protection Plan is fully backed and administered by Mazda Canada Inc. For more information, please contact your Mazda Dealer.

Ask your dealer about Mazda's competitive program for recent university and college graduates.

Product changes and options availability: Following publication of this brochure, certain changes in standard equipment, options, prices and the like, or product delays may have occurred which would not be included in these pages. Your Mazda Dealer is your best source for up-to-date information. Mazda reserves the right to change product specifications at any time without incurring obligations. Options and accessories shown or described in this brochure are available at extra cost and may be offered only in combination with other options or subject to additional ordering requirements or limitations.
