MAZDA6

KURO EDITION

THE MAZDA6 KURO EDITION

A joy to drive and beautiful to look at, the Mazda6 Kuro Edition is a luxury car that makes a stylish statement in town, on business and on long drives. Its exquisite exterior design is refined with black accents, enhancing its strong personality. The 19" black alloy wheels and the black door mirror covers complete the beauty of our Kodo design, giving the exterior a bolder look and creating an even greater sense of vitality. Featuring the latest Skyactiv-G engine, ingeniously engineered i-Activsense safety systems and intuitive connectivity features, you get to experience effortless and joyful drives both in the city and on the open road.

INTERIOR INDULGENCE

The luxurious interior elements combine to deliver a truly elevated driving experience. Every detail is designed with the precision of human hands, crafted with you in mind, while the Kuro Edition touches deliver that little bit more individuality. The stitching and Burgundy leather seats complement the impressive exterior design, giving the Mazda6 Kuro Edition even more personality and elegance.

EXHILARATION ALL THE WAY

When you ask, it answers. Its light yet rigid body delivers excellent responsiveness, while the latest Skyactiv-G engine provides superior fuel efficiency – all without sacrificing vehicle performance. Sophisticated safety innovations that alert you to hazards and help you avoid or lessen the impact of collisions, are all around you to give you total confidence at all times. It's why we think of Mazda6 Kuro Edition as a true extension of your body. All you need to do is get behind the wheel and enjoy the driving experience you deserve.

The official fuel consumption figures in mpg (l/100km) for the Petrol Mazda6 range: Combined 37.2 (7.6) - 42.2 (6.7). CO₂ emissions (g/km) 172 - 152.

¹⁾ Figures shown are for comparability purposes; only compare fuel consumption and CO₂ figures with other cars tested to the same technical procedures. These figures may not reflect real life driving results, which will depend upon a number of factors including the accessories fitted (post-registration), variations in weather, driving styles and vehicle load. All figures quoted are derived from the latest WLTP test cycle.
