

MAZDA3 MPS

PURE DRIVING EXHILARATION

ZOOMA = ZOOMA

THE FASTEST, MOST POWERFUL CAR IN ITS CLASS

Introducing the Mazda3 MPS – the ultimate super-hatch. Building on the success of the distinctive Mazda3, this breathtaking new model from Britain’s favourite sports car brand is the most powerful front-wheel-drive car on the market. Behind all this power is a 2.3-litre four-cylinder engine with a turbocharger and advanced direct-injection spark ignition (DISI) technology. Producing a class-leading 260ps and 380Nm of torque at just 3000rpm, the Mazda3 MPS can accelerate from 0-62mph in just 6.1 seconds, and reach an electronically limited maximum speed of 155mph. All this adds up to a pure driver’s car, in every sense.

PUTTING PERFORMANCE TO THE TEST

The Mazda3 MPS makes any journey on any road a thrilling experience. With its direct steering, high-performance suspension and minimal body roll, it tackles UK roads with poise and precision – whether you're on a motorway, fast A-road, or twisty cross-country lane. However, there's one place in particular where it can really show what it's made of – Germany, renowned amongst driving enthusiasts for mile after mile of derestricted autobahn. On roads like these, the Mazda3 MPS can be put to the ultimate test, to prove just how good its power and torque figures really are. And along the way, it doesn't have to be all science – this car takes these speeds so much in its stride, motorway driving has never been so much fun.

EATING LONG JOURNEYS FOR BREAKFAST

Crossing continents is about a lot more than just top speed. With stiffer Eibach springs*, larger anti-roll bars and high-performance dampers, the Mazda3 MPS is certainly sportier than the standard Mazda3 – but the ride is never compromised, and bumps, cambers and corners are all dispatched with ease. Inside, the driver sits in total comfort in Mazda3 MPS-branded leather sports seats, next to luxury details like a leather steering wheel, leather gearknob and leather handbrake. And, to make the journey even more enjoyable, the generous standard equipment also includes a Premium BOSE® audio surround sound system with 6-CD autochanger, climate control air conditioning, high power Xenon headlights, auto lights and rain-sensing wipers.

*Featured on the Sports Aero kit model

A CAR THAT SIMPLY LOOKS FAST

On the road, the Mazda3 MPS looks the part, with its robust, purposeful styling and choice of stylish paint colours: True Red, Black Mica, Cosmic Blue Mica, or Sunlight Silver Metallic. Compared with the standard Mazda3, the Mazda3 MPS has a more aggressive nose, incorporating a lowered front spoiler, larger air intake and striking fog lights. It also features distinctive body-coloured side skirts; 18-inch alloy wheels; a sports front and rear bumper design; and a larger, chrome-finished exhaust pipe. For even greater aerodynamic efficiency, choose the Sports Aero kit model, which also comes with low-drag, two-spoke sports door mirrors; Eibach lowered suspension; and a roof-mounted rear spoiler that increases high-speed stability.

ENGINEERED TO INSPIRE CONFIDENCE

As the derestricted sign flashes past and the three-lane autobahn opens up ahead, the Mazda3 MPS accelerates like a supercar through 80, 100, and 120mph. As 140mph approaches, we shift into top gear – sixth – and the speedo rises effortlessly to 155mph. And then, without any drama, we ease back. The car's performance is stunning, but it's the stability that impresses most. The Mazda3 MPS comes with a standard-fit Limited Slip Differential (LSD) that splits the torque between the front wheels, depending on the grip available. Out on the road, this helps control the power through the front wheels and, therefore, maximise traction – even if you're on a wet or loose surface. At higher speeds, special aerodynamic aids under the floor channel air efficiently, to keep the car planted firmly on the road. An advanced Traction Control System (TCS) works in tandem with Dynamic Stability Control (DSC) to help prevent oversteer and understeer, and the advanced Four-wheel Anti-lock Braking System (4W-ABS), with Electronic Brake Distribution (EBD) and Emergency Brake Assist (EBA), provides the stopping power to match the car's prodigious performance. In short, there's everything you need to complement your driving skills.

PRACTICALITY AS WELL AS PERFORMANCE

For all the power of the Mazda3 MPS, it wasn't designed to work just on the German autobahn, of course – it was conceived as a practical super-hatch for everyday driving. Available exclusively with five doors and capable of accommodating three adults in the rear, it is one of the most space-efficient, user-friendly cars on the road. And it's not only incredibly versatile, with its split-folding rear seats that allow you to carry passengers and awkward-shaped loads at the same time, but also surprisingly economical, returning a combined fuel consumption figure of 29.1mpg. So, when you're in the mood, the Mazda3 MPS is one of the most thrilling and entertaining cars you can buy – but it never forgets that some days are commuter days, and here it blends comfort, refinement and luxury specification. You need to try it for yourself.

MAZDA3 MPS TECHNICAL SPECIFICATION

ENGINE AND TRANSMISSION

Engine:	2.3-litre MZR direct-injection turbocharged four-cylinder petrol
Transmission:	Six-speed manual, front-wheel drive with Limited Slip Differential for maximum traction
Bore x stroke (mm):	87.5 x 94.0
Maximum power (ps/rpm):	260/5500
Maximum torque (Nm/rpm):	380/3000
Compression ratio:	9.5:1

SUSPENSION AND STEERING

Front suspension:	MacPherson independent strut, larger anti-roll bar and high-performance dampers
Rear suspension:	Multilink, larger anti-roll bar and high-performance dampers
Steering:	Rack and pinion, hydraulic power assistance
Wheels and tyres:	18-inch aluminium alloy with 215/45 R18 Bridgestone Potenza tyres

PERFORMANCE AND ECONOMY

Acceleration:	0-62mph in 6.1 seconds
Top speed:	155mph (electronically limited)
Fuel consumption (mpg/(l/100km)):	Urban: 20.9 (13.5) Extra urban: 37.7 (7.5) Combined: 29.1 (9.7)
CO ₂ emissions:	231g/km, meeting Euro Stage IV regulations
Fuel tank capacity:	55 litres
Recommended fuel:	Unleaded 98 RON
Emission control system:	3-way catalytic converter
Brakes:	Ventilated discs, front (320mm) and rear (280mm), with Anti-lock Braking System (ABS) and Electronic Brake-force Distribution (EBD)

DIMENSIONS AND WEIGHTS

Overall length/width/height:	4435/1765/1465mm
Front track/rear track:	1535/1525 mm
Unladen ground clearance between axles:	160mm
Wheelbase:	2640mm
Kerb weight:	1483kg (minimum, with 75kg driver)
Maximum roof load:	75kg
Load area volume:	290 litres acc. to VDA (rear seats upright) 619 litres acc. to VDA (rear seats folded flat)

Standard rear spoiler

Standard door mirrors

MAZDA PRODUCTS AND SERVICES

MAZDA CREDIT*

Mazda offers a variety of finance, leasing and payment protection schemes to suit the needs of both private and business customers. With our wide choice of plans and services, no-one is more committed to delivering complete motoring confidence and total peace of mind than Mazda and Mazda Credit.

Mazda MultiOption: economical payments protected by any fall in car values, with three options to choose from at the end of the agreement.

Mazda MultiOption Cashplan: all the benefits of MultiOption but with no regular payments.

Mazda Hire Purchase: a simple, straightforward and traditional funding plan.

MAZDA BUSINESS PARTNER

As a Mazda corporate customer, you'll find that Mazda vehicles are designed to fulfil the diverse needs of a modern company. Our corporate service offers attractive purchase prices, low running costs and market-driven residual values, resulting in extremely competitive ownership costs.

MAZDA INSURANCE**

Mazda Insurance offers a range of motor-related insurance products to protect you and your car.

For total motoring peace of mind, please ask your Mazda dealer for details.

MAZDA DIGITAL SERVICE RECORD

The Mazda Digital Service Record (DSR) system provides increased security against counterfeit service documents and odometer tampering, and makes it easy to keep the service history up to date. Stored on a central database, the DSR replaces the traditional paper service book and ensures a secure, accurate and permanent service history for the life of the vehicle.

*Finance subject to status. Guarantees/indemnities may be required.
Written quotations: Mazda Credit, CM13 3AR

**Mazda Motor Insurance is underwritten and administered by Zurich Insurance Company, a limited company incorporated in Switzerland. Registered in the canton of the Zurich No CH-020.3.929.583-0. UK branch registered in England, No BR105. Registered office: Zurich House, Stanhope Road, Portsmouth, Hampshire, PO1 1DU. Authorised and regulated by the Financial Services Authority. These details can be checked on the FSA's register by visiting their website, www.fsa.gov.uk/register, or by contacting them on 0845 606 1234. Conditions apply.

THE MAZDA WARRANTIES

3-YEAR NEW CAR WARRANTY UP TO 60,000 MILES

The Mazda new car warranty applies for 3 years up to 60,000 miles. Typical wearing parts are not covered by this warranty

12-YEAR WARRANTY AGAINST CORROSION BREAKTHROUGH

The warranty against corrosion breakthrough lasts 12 years

3-YEAR PAINTWORK WARRANTY

The Mazda paintwork warranty lasts 3 years, regardless of mileage. If any problems with the paintwork arise during this period, they will be rectified by a Mazda authorised dealer/repairer, provided the manufacturer is responsible for the defects

Mazda warranties on the Mazda3 MPS are subject to certain conditions. Defects arising from improper or competitive use are not covered by warranty
