

Mazda MX-5

*ZOOM-ZOOM*

While the original Mazda MX-5 redefined the roadster, the latest generation breathes new spirit into an icon. Inspired by the philosophy of Jinba Ittai, 'rider and horse as one', Mazda engineers have created a sports car that effortlessly becomes one with its driver.

It's this unity that creates the perfect balance of elements for a thrilling driving experience – fun, excitement and adventure. It's a meeting of minds, a fusion, where everything works in harmony to deliver the ultimate adrenalin rush. Two distinct personalities merge to create the ultimate partnership.

The Mazda MX-5. Now that's Zoom-Zoom.

# Jinba Ittai

The passion behind the Mazda MX-5 drove us to achieve an affinity between car and driver never before imagined. This 'oneness' we call Jinba Ittai.

## 6 Unity

Superb handling and driving dynamics.

## 8 Balance

Responsive engines and optimised weight means outstanding performance.

## 10 Mazda MX-5 Soft-top

Timeless beauty, undiluted fun.

## 12 Mazda MX-5 Roadster Coupe

A new dimension in open-top sports cars.

## 14 Harmony

Beauty, functionality and craftsmanship.

## 18 Trust

Comprehensive safety systems.

## 20 Personality

Model range and options.

## 34 The Mazda MX-5 in detail

Technical data, standard equipment, options, colour and trim.

Configurator.

Slide into the driver's seat, slip into gear, put your foot on the accelerator and the connection is instant. With its stiff chassis, precise steering and double-wishbone suspension, the Mazda MX-5 delivers advanced driving dynamics and incredible handling.

Mastering every twist and turn with ultimate precision, the Mazda MX-5 responds instantly to your every move. It's as if it can read your mind. In fact, you'll feel like your Mazda MX-5 is a kindred spirit.

# unity

Feel connected. Feel alive. Feel the pounding of synchronised heartbeats.

**Weight distribution**  
An excellent power-to-weight ratio and 50:50 weight distribution further enhance Mazda MX-5's performance and handling.

**Engines**  
Choose the lively 1.8i MZR (126ps / 93kW) or the powerful 2.0i MZR (160ps / 118kW) – both delivering superb performance.

# balance

Responsive. Precise. Nimble. It's all about getting the balance right.

How do you combine solid stability with a chassis that is keen to alter speed or direction in a fraction of a second? The answer is Mazda MX-5's 'gram strategy'. By intelligently locating major components and carefully scrutinising weight-trimming opportunities, Mazda engineers have made every gram count. Using new, high-strength, low-weight types of steel, weight-saving structures, and where appropriate, replacing steel with lighter material, Mazda engineers have succeeded in dramatically lowering the Mazda MX-5's overall weight.

The result is an impressive power-to-weight ratio, made even more effective through a combination of front engine and rear-wheel drive that gives a perfect 50:50 weight distribution. This, combined with Mazda's commitment to deliver breathtaking driving, cornering and braking performance, elevating the Mazda MX-5 into a class of its own.

So, whether you favour the 1.8i or 2.0i with a 5-speed manual transmission or 2.0i Sport with a 6-speed manual transmission, the result is a perfect blend of handling and performance.

## Mazda MX-5 Soft-top

Stylish, sporty and beautifully crafted, the iconic Mazda MX-5 will turn heads everywhere with its muscular wheel arches and purposeful stance. But to really make the Mazda MX-5 come alive, simply drop the soft-top roof and allow your senses to soak up the drama of driving in the open air. This is pure roadster exhilaration at its best, and the very essence of the sensational Mazda MX-5.

## Mazda MX-5 Roadster Coupe

The new Mazda MX-5 Roadster Coupe's retractable hardtop is a sheer masterpiece of engineering with style. Combining sleek coupe styling with timeless roadster looks, it adds the crowning touch to the Mazda MX-5's already stunning profile. Designed following our acclaimed 'gram strategy', the electrically-operated roof is as strong and as light as possible, retracting completely – with no intrusion into the luggage space – in a breathtaking 12 seconds.

# harmony

When every detail is designed around you, you know you've found your soulmate.

The Mazda MX-5 effortlessly combines modern elegance and functionality. From the perfectly contoured sports seats and ergonomic gear knob to the contemporary alloy touches, every detail works in harmony to create a true sports car.

In the Mazda MX-5, the balance between intricate craftsmanship and simple style is perfection itself.

The Mazda MX-5 is the epitome of sportiness. With carefully crafted fabrics, sporty red-illuminated instrument dials, shiny alloy touches and piano black trim; you'll experience a personal indulgence on every journey.

Then there are the optional heated leather seats\* and climate control air conditioning\*\*. Equally important are the thoughtful storage features, which include a lockable centre console compartment, handy lockers located behind the seats (Mazda MX-5 soft-top models only), dual cup holders and door-mounted water bottle holders.

16 Some images show options available on Mazda MX-5 2.0i Sport only (6-speed manual transmission and climate control air conditioning). Stainless steel scuff plates are standard on 1.8i Option Pack, 2.0i Option Pack and 2.0i Sport. Alloy pedals are available as an accessory option.

\*Standard on Mazda MX-5 2.0i Sport. Leather refers to centre seat facing and side support.  
 \*\*Standard on Mazda MX-5 Roadster Coupe models.

**Airbag system**

Mazda MX-5 2.0i and 2.0i Sport models feature dual front and side airbags for optimum protection in the event of a collision.

**ABS and DSC**

The Anti-lock Braking System (ABS) with Electronic Brake-force Distribution (EBD) adjusts the braking force to suit the handling, while Dynamic Stability Control (DSC)\* responds to swerving tendency and stabilises the vehicle within milliseconds.

# trust

Safety and performance can go hand in hand.

Freedom is the feeling of the wind rushing through your hair. Safety is the feeling that you're protected, however big the adrenalin rush. Mazda MX-5 successfully combines thrilling performance with advanced safety features for the ultimate driving experience.

As well as Dynamic Stability Control (DSC)\* and a Traction Control System (TCS)\*, the Mazda MX-5 also has a Limited Slip Differential (LSD)\*, ensuring optimum engine power safely reaches the road when you are accelerating out of a tight turn. Then there's Mazda's Advanced Impact Distribution and Absorption System that efficiently disperses impact energy in a collision, and further safety features complete the picture, including a reinforced windscreen structure.

# personality

Turn your passion up a level

How far you take your passion for the Mazda MX-5 is entirely up to you. There are three models to choose from as well as selected option packages such as 16" alloy wheels, leather steering wheel with audio controls, leather gear knob and handbrake lever, stainless steel scuff plates and a premium cloth soft-top, or leather and climate control air conditioning pack for the ultimate luxury.

You can also choose from a range of stunning exterior colour choices\* to suit your personality.

\*Metallic / Mica paint optional at extra cost.

## Premium audio entertainment.

All Mazda MX-5 1.8i, 2.0i and 2.0i Sport models provide superb sound quality with an MP3-compatible single CD/radio as standard. A comprehensive range of optional accessory modular audio components are also available, allowing you to build your in-car entertainment precisely as you choose.

The optional premium Bose® sound system\* provides the ultimate in audio entertainment. Sophisticated automotive engineering meets sophisticated in-car sound engineering as Bose® and Mazda engineers worked in harmony to develop an immensely powerful 6-CD premium sound system tailored precisely to match the acoustics of the Mazda MX-5. Using digital amplifier technology, coupled to seven strategically positioned high-performance speakers, the system automatically alters its equalisation levels according to whether the roof is up or down.

In addition, an iPod connection is available as an accessory on all Mazda MX-5 models. Seamless iPod integration allows you to select the artist, album or playlist of your choice, as well as to skip between tracks or playlists, using the car's audio controls, with the device conveniently located in the glovebox.

### Seven high-performance speakers:

- 1 One 8 cm neodymium mid-high-range speaker in the instrument panel.
- 2 Two 8 cm neodymium mid-high-range speakers in the doors.
- 3 Two 20 cm Nd® woofers in the doors.
- 4 Two 8 cm neodymium mid-high-range speakers in the rear firewall.

### System electronics:

- 5 Digital amplifier mounted below roof-top storage space. Includes Bose® digital signal processing, AudioPilot® noise compensation technology and four channels of customised equalisation switching automatically between 'top up' and 'top down'.
- 6 AudioPilot® microphone mounted below the instrument panel monitors interior noise level.

## Make your identity known

Choose from an extensive selection of alloy wheels and audio system components to give your Mazda MX-5 an extra individual touch. Then there are stylish and functional items, like a stainless steel front grille, aggressive front fog lights and a competition-inspired strut tower bar, all developed to enhance your driving experience.

- 1 **Bonnet dampers**  
Stylish way to support the bonnet safely.
- 2 **Mesh grille, stainless steel**  
An eye-catching and sporty addition.
- 3 **Mazda reversing aid**  
Detects obstacles in front and behind your car.
- 4 **Mudflaps, front and rear**  
Protects the bodywork from dirt and stone chips.
- 5 **Strut tower bar**  
Delivers even more focused handling.
- 6 **Front fog lights**  
Good looks and clear vision.
- 7 **Front fog lights, projector-type**  
Added style, superior illumination.
- 8 **White side markers**  
Pair of replacement white side marker lenses, complete with bulbs.
- 9 **Suspension-lowering kit by Eibach**  
Lowers the ride height for even sharper handling and visual style.

10 **16" alloy wheel\***  
in 5-spoke design (Design 110).

11 **17" alloy wheel\*\***  
in 10-spoke design (Design 111).

12 **17" alloy wheel**  
in 5-spoke design (Design 39).

13 **18" alloy wheel**  
in 7x2-spoke design (Design 40).

\*Standard on models equipped with Option Pack.  
\*\*Standard on 2.0i Sport models.

- 1 Front air dam skirt / Front mesh grille (stainless steel)
- 2 Rear air dam skirt

- 3 Side air dam skirts
- 4 Rear lip spoiler

## On the right lines

With its classic iconic design, the Mazda MX-5 is the sports car to be seen in. Whatever your taste, you can now make even more of a style statement with an exciting range of bodystyling accessories. From a dynamic front air dam skirt to a stainless steel mesh grille and subtle rear lip spoiler, you are sure to find something to whet your appetite.

## Sporting ambitions

Enhance your new Mazda MX-5's muscular appearance with the sports styling kit. From the aggressive front aero bumper to the aerodynamic rear lip spoiler, each design element has been specially developed to deliver great looks and performance. Just one look in the rear-view mirror and those in front will know instantly what's on their tail.

1 Sporty front aero bumper

2 Sporty side air dam skirts

3 Sporty rear aero bumper

4 Sporty rear lip spoiler

## Smart moves

Want to enhance your Mazda MX-5's bright, sparkling character? Then take a look at our eye-catching range of contemporary brushed and polished aluminium accessories. While, for traditionalists, the Nardi wooden gear knob and handbrake lever elegantly combine classic good looks with maximum control.

## The finishing touch

The Mazda MX-5 is engineered for real life. So you will find a range of lifestyle options, including child seats, luggage carrying systems, tailored luggage packs and Smartnav navigation. Indeed, all that you need for a weekend away or to help tackle the challenges of everyday driving.

- 1 **Premium cloth roof trims**  
A choice of tan, blue, grey, green and crème colours.
- 2 **Luxury or tailored car mat set**
- 3 **Front tunnel storage net**
- 4 **Boot liner**
- 5 **Ashtray kit**
- 6 **Storage box, lockable**
- 7 **Outdoor cover**  
Indoor cover also available.
- 8 **Cloth side tonneau cover**  
A choice of tan, blue, grey, green, black and crème colours.
- 9 **iPod connector located in glovebox**
- 10 **NaviMaster (by Siemens VDO) portable satellite navigation system**
- 11 **Detachable hardtop wall hanging bracket**
- 12 **Supagard protection kit**  
Supagard soft-top cleaner also available.
- 13 **Boot-lid luggage carrier\***
- 14 **Boot-lid carrier, suitcase and leather belts\***
- 15 **Detachable hardtop\***

\*For soft-top models only.

## Mechanical Features and Model Availability

### Engines:

- 1.8i Petrol
- 1798cc in-line 4-cylinder, 16-valve, DOHC, developing 126ps (93kW) at 6500rpm and 167Nm at 4500rpm.
  - CO<sub>2</sub> emissions of 174g/km (EC Stage IV).
  - Electronic fuel injection.
  - Battery – 46B24L.
  - Alternator – 100A.

- 2.0i Petrol
- 1999cc in-line 4-cylinder, 16-valve, DOHC, developing 160ps (118kW) at 6700rpm and 188Nm at 5000rpm.
  - CO<sub>2</sub> emissions of 183g/km (2.0i), 193g/km (2.0i Sport) (EC Stage IV).
  - Electronic fuel injection.
  - Battery – 46B24L.
  - Alternator – 100A.

### Transmissions:

- 5-speed (1.8i and 2.0i engines) or 6-speed (2.0i Sport only) manual – Giving precise, positive shift feel to provide a feeling of unity between driver and vehicle.
- Rear-wheel drive.

### Body:

- Self-supporting rigid and torsion-resistant all-steel body with defined crumple zones for the front and rear sections, stable passenger safety cell with side impact reinforcement in the doors.
- Mazda Advanced Impact Distribution and Absorption System (MAIDAS) designed to secure the critical interior space in the event of an accident.
- Supplementary Restraint System (SRS) – Central control unit and crush sensors, seatbelt pre-tensioners, load limiters and airbag system.
- Two seats.
- Manually-operated soft-top (with detachable hardtop available as an optional accessory at extra cost) or electrically-operated retractable hardtop for Roadster Coupe.

### Chassis and Suspension:

- Front: Independent double-wishbone suspension with gas-filled, monotube shock absorbers and aluminium upper and lower arms for low unsprung weight.
- Rear: Multi-link suspension with optimised geometry and gas-filled, monotube shock absorbers.
- Suspension strut tower bar (Sport only).

### Brake System:

- Four-wheel Anti-lock Braking System (ABS) with Electronic Brake-force Distribution (EBD).
- Front: 290mm diameter ventilated discs.
- Rear: 280mm diameter discs.

### Warranty Plus – 3-Year Cover

Every Mazda is designed and built to the highest standards of performance, comfort and reliability. For your further reassurance, Mazda also provides a full 3-year/60,000<sup>1</sup> mile warranty cover, including Mazda European Assistance, 3-year paintwork warranty and a 12-year anti-perforation warranty. <sup>1</sup>There is no mileage limit during the first year of the warranty.

### Mazda Momentum – New Vehicle Extended Warranty

At any time during the manufacturer's warranty period, you may purchase a Mazda Momentum extended warranty package. Three options are available. Your Mazda dealer will be pleased to provide you with details.

### Mazda Financial Services\*

Mazda Financial Services offers a variety of finance and payment protection schemes to suit the needs of both private and business customers. With our wide range of plans and services, no-one is more committed to delivering complete motoring confidence and total peace of mind than Mazda and Mazda Financial Services.

### Mazda Contract Hire\*\*

As a Mazda corporate customer, you'll find that Mazda vehicles are designed to fulfil the diverse needs of a modern company. Our corporate service offers attractive purchase prices, low running costs and market-driven residual values, resulting in extremely competitive ownership costs. To find out more about the benefits of Mazda Contract Hire, please speak to your Mazda dealer.

### Digital Service Record

The Mazda Digital Service Record (DSR) system provides increased security against counterfeit service documents and odometer tampering, and makes it easy to keep the service history up-to-date. Stored on a central database, the DSR replaces the traditional paper service book and ensures a secure, accurate and permanent service history for the life of the vehicle.

### Your Mazda dealer:

Mazda Motors UK Limited reserves the right to introduce changes in specification and equipment due to its ongoing product development. Colour and trim samples shown in this brochure may vary from the actual colours because of the limitations in the printing process. It is recommended that you consult your Mazda dealer when referring to these.
