# IT SHATTERS THE SUB-COMPACT CAR STANDARD

The all-new Mazda2 SKYACTIV draws on the experience from the critically acclaimed and award-winning Mazda3, Mazda6, CX-5 and MX-5 to create a sub-compact car that completely redefines your expectations. Combining the full-range of SKYACTIV technologies (engine, transmission, body and chassis) and the KODO Soul of Motion design philosophy into the all-new Mazda2 - delivering performance, fuel-efficiency and driving pleasure without compromise.

## ▲ ACTIVE DRIVING DISPLAY (HEADS-UP DISPLAY)

The pop up screen above the main instrument pod feeds vehicle speed and other information to keep the driver's eyes pointed toward the road.

Available on selected variants only.

## ▲ REAR CAMERA DISPLAY

## ▲ NAVI FEATURE

For illustration purposes only

## ▲ MAZDA CONNECT DISPLAY

## ▲ MAZDA CONNECT

Mazda's new infotainment system allows you to access your music, music streaming apps and social media, all from a single touch screen that is centrally located well within the driver's field of vision. And there's voice command for menu switching, audio and navigation to take convenience a step further.

### COMMAND CONTROL

A multi-function commander that controls the screen and allows swift and easy navigation of features. It matches natural hand movements and can be operated by feel, so the driver's attention is not diverted from the road.

Available on selected variants only.

## SPORT SWITCH ▶

Available on selected variants only.

\* The GPS NAVI system is designed to assist you in locating addresses, destinations, or points of interest. While all effort has been made to include the latest NAVI map info, discrepancies may be encountered between the system and your actual location due to road changes that are beyond our control. Mazda PH is not liable for any inaccuracies and misdirection from using this GPS NAVI system. Please rely on your individual judgement to decide whether to follow a specified route.

\*Photo may vary from actual unit.

魂動

KODO : SOUL of MOTION

It's a design language that catches the eye and moves the soul. It overflows with elegance and breathes a strong character. That is KODO - Soul of Motion. It takes every nook and curve of the Mazda to a higher dimension of thrill and aesthetics.

## SKYACTIV TECHNOLOGY

Developing a spread of technologies that aims to deliver superior driving pleasure and outstanding safety and eco-friendly performance through highly efficient engines with never-before achieved compression ratios that deliver an almost ideal combustion, highly efficient transmissions, and even vehicle platforms that achieve an almost ideal structure with their lightweight yet rigid chassis and body that guarantees excellent collision safety.
