

CELEBRATING 20 YEARS OF DRIVING THRILLS

The Mazda MX-5 caused a sensation when it first appeared on British roads in March 1990. The motoring press raved about its exhilarating blend of a high power-to-weight ratio, 50:50 weight distribution and rear-wheel drive combined to provide a classic roadster sports car experience. Suddenly even the most mundane trip becomes a grin spreading, driving thrill as MX-5 single-handedly created a vast and loyal band of proud roadster owners. Fast-forward 20 years and the Mazda MX-5 is noticeably improved in every area whilst losing none of its original appeal. The Mazda MX-5 still delivers exactly the same excitement, the same feeling of car and driver as one, and the same pride of ownership every time you slide behind the wheel. It's also won countless awards on the way to becoming the best-selling roadster in the world.

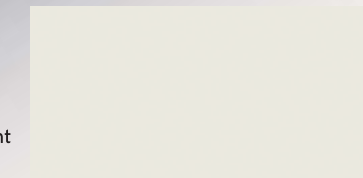

We want to celebrate the Mazda MX-5's many achievements – and we're doing so in style with the stunning new 20th Anniversary Limited Edition. This very special Mazda MX-5 features individually numbered Limited Edition scuff plates, unique 17" tinted alloy wheels, coloured fashion style bars and interior dashboard panelling, upgraded suspension and is available in two specially selected colours unique to the MX-5 20th Anniversary, Aurora Blue Mica and Crystal White Pearlescent, complemented by a classic roadster favourite, True Red.

Twenty years ago, Mazda was credited with reinventing driving exhilaration through its cult roadster, why not get yourself behind the wheel of the new Mazda MX-5 20th Anniversary Limited Edition and experience the thrill...
