# GET READY TO MOVE LIKE NEVER BEFORE

The First-Ever CX-3 is on the way and it's set to redefine your expectations of a compact crossover SUV.

Designed with outstanding quality, style and ease-of-use in mind, the First-Ever Mazda CX-3 compact crossover offers everything you need to get around town or into the great outdoors, with the distinctive feel that Mazda strives for in every model.

A vehicle this far ahead deserves style that sets it apart. Inspired by an animal leaping into action, the 'KODO - Soul of Motion' design language provides sleek lines and a powerful sense of energy that brings the CX-3 to life with style and flair that is guaranteed to turn heads.

Representing the fifth model in Mazda's line-up of new-generation vehicles, the First-Ever CX-3 showcases the full range of SKYACTIV technologies across the range - combining incredible performance with astounding fuel economy - as well as i-ACTIVSENSE<sup>4</sup> active safety technologies on GSX and Limited models that provide heightened confidence in a wide range of driving conditions.

The CX-3 also features Mazda's intuitive MZD Connect infotainment system as standard, enabling versatile internet connectivity with the highest standards of safety. And the Active Driving Display - as featured on GSX and Limited models - enhances driving focus by projecting vehicle speed, navigation cues and even emergency warnings into your line of sight, helping you concentrate on what's ahead.

The CX-3 surrounds you in contemporary luxury and refined craftsmanship. It also places you at the heart of the drive.

The stylish cabin design offers an atmosphere of spaciousness, serenity and uncluttered elegance. Each model is crafted with distinct trim colour and texture combinations; featuring high-quality materials such as satin chrome, piano black and soft-touch leather panels with stitching.

Clever design ensures that the CX-3's vast array of technology is always at your fingertips, keeping you at the centre of everything. Key functions can be accessed through a large eye-level central screen, steering wheel switches or central console commander control, with many also able to be controlled by voice.

The MZD Connect system provides the latest in connectivity and infotainment with a huge choice of content including web radio, podcasts, Facebook™ and Twitter™ feeds and more, ensuring you have all the latest in convenience and comfort, without compromise.

New-generation design, connectivity, technology and performance... plus all the safety you can imagine. Get ready to Move Like Never Before with the First-Ever CX-3.
