SELECTED OPTIONS

Included in the Gran Fury dash panorama at left are the following options: tilt steering wheel, automatic speed control, AM/FM stereo with cassette player, air conditioning and digital clock.

1. Automatic Speed Control / Deluxe Intermittent Wipers.

These optional features are incorporated into the multi-function, column-mounted control lever. The intermittent windshield washer/wiper system has a delay mode that can be set for pauses of two to fifteen seconds.

2. Right Convex Outside Mirror.

3. 5/50 Protection Plan.

This optional service contract, the longest protection plan* of any domestic manufacturer, covers major power train components for five years or 50,000 miles (whichever comes first) from the time you take delivery of your new Gran Fury. The plan, which has a \$50 deductible per repair visit, also has an allowance for alternate transportation and towing. Ask your dealer for full details.

4. AM/FM Stereo with Cassette Player.

This new radio option includes the Dolby* noise reduction system which minimizes hiss on Dolby-encoded cassette cartridges and FM broadcasts.

*Provisions of plans vary with manufacturer.

5. Air Conditioning.*

Optional automatic temperature control and manual air conditioning systems offer quiet performance, rapid cool-down rates and six instrument panel outlets.
