

**RENAULT SANDERO**  
**MY 2011**

**DRIVE THE CHANGE**

# SPACE, STYLE AND STURDINESS FINALLY WITHIN REACH...

The Renault Sandero stands out as a stylish and sturdy hatchback, with appealing looks that convey both solidity and dynamism. The expressive contoured headlamps, bold front bumper and sporty grille combination perfectly matches its sleek bodywork. The exterior design gives an impression of a roomy interior, and upon entering the Renault Sandero, one is pleasantly surprised to find that the interior space is even bigger than one thought. The Sandero can carry five large adult occupants comfortably. But what about the luggage space? The Sandero has the biggest boot space in its segment, in some cases even larger than vehicles in higher segments.

The Sandero is made right here in South Africa and has been specially developed to suit our unique terrain and the adventurous spirit of the South African lifestyle. The Sandero's design, both exterior and interior, is a pure impression of style and sturdiness in the bodywork. Not surprisingly, the Renault Sandero has been designed, adapted and tested to severe climatic conditions and difficult road surfaces in South Africa to ensure that it's durable and reliable, even in extremely harsh conditions.

The Renault Sandero is unique; unparalleled space and comfort combined with Renault's safety heritage, the Sandero is simply unbeatable in its class.

# CRAMPED IS NOT COOL

**SO TAKE A STEP UP  
AND GET THE CAR WITH  
THE MOST SPACE IN ITS CLASS**

## **GENEROUS INTERIOR SPACE, PRACTICAL DRIVING ENVIRONMENT**

Sandero's generous dimensions translate into generous and unrivalled interior space for all 5 large adult occupants and their luggage. The vehicle's definitive 878mm of headroom in the rear of the vehicle will leave a noticeable gap between even the tallest person's head and the roof-lining, while front-seat occupants can stretch out comfortably, thanks to a substantial 1 380mm and 1 400mm of front and rear shoulder room.

With an exceptional boot capacity of 320 litres, the Sandero boasts the largest luggage space in its class and sometimes even larger than vehicles above its segment. The luggage space can be increased to a maximum of 1200 litres with the offering of 60/40 split rear seats on the Dynamique and Stepway.

The Renault Sandero's generous interior is further complemented by its practical design. The design of the door panels contributes to the cabin's modern feel, thanks to the smart handles and decorative trim strips. The Renault Sandero is available with two dashboard trims and co-ordinated upholsterys. Particular attention was paid to produce an uncluttered, practical driving environment, with easy-to-read instruments and user-friendly controls.

Features and images may vary and be optional depending on model, and are subject to change without notice.

# COMFORTABLE AND PRACTICAL

Renault Sandero has a large, comfortable interior that is not only spacious and high quality, but incredibly practical as well. Sandero's relaxed and spacious interior delivers both driver and passenger comfort, with room to relax and enjoy even the longest journeys with ease. Interior ergonomics are well designed and all controls are within easy reach of the driver and intuitively positioned. With standard features like air conditioning, power steering, height adjustable driver's seat, remote central locking and tinted windows make the Renault Sandero a pleasure to drive, and a pleasure to behold.

# UNPARALLELED SAFETY HERITAGE

The Renault brand has become synonymous with vehicle safety worldwide. This reputation is duly deserved since Renault is the only vehicle manufacturer with 12 models having obtained 5 stars in the Euro NCAP crash tests – the international authority in new vehicle safety assessment.

With such a rich safety heritage, Renault has ensured that the Sandero body structure meets their safety standards, furthermore all doors are reinforced with side protection beams. The highly rigid and robust occupant's cell ensure that the driver and passengers are kept from harm in the event of the unexpected.

The Renault Sandero offers safety features such as driver and passenger airbags and ABS braking system with Electronic Brake Distribution (EBD) across the entire range.

# COST EFFECTIVE MAINTENANCE

## 5 YEAR/150 000KM WARRANTY

**5**  
**YEAR**  
**WARRANTY**  
**150 000 KM**

The Renault Sandero has been named South Africa's most affordable car in the independent 2010 Kinsey Parts' Pricing Survey. Now in its 20th year, the annual survey carries considerable clout in the South African automotive sector and is regarded as the country's definitive parts pricing survey.

The philosophy behind the Renault Sandero is centred around robustness and reliability in design with low cost of maintenance. This is reflected in internationally proven durable and fuel efficient engines. With the Renault Sandero not only are you guaranteed affordability in spare parts, but availability as well since the vehicle is locally produced.

The Sandero is also backed by Renault Confiance, our all-encompassing care package providing you complete with peace of mind motoring, value for money and a strong sense of satisfaction with your vehicle purchase.

All Renault Sandero versions come standard with a 5 year/150 000km mechanical warranty, a 6 year anti-corrosion warranty. A 3 year/45 000km Service Plan is standard on the 1.6 Dynamique and higher versions.

# MADE IN SOUTH AFRICA FOR THE SOUTH AFRICAN LIFESTYLE

The Renault Sandero has been designed, adapted and tested to severe climatic conditions and difficult road surfaces such as potholes, gravel and sand. The durability testing has been carried out according to Renault's stringent global standards to ensure that the quality of every vehicle produced in South Africa is as good as any Renault produced anywhere else in the Renault factory across the world. You can rest assured that the Sandero is robust and reliable - made for Africa.

# RENAULT SANDERO STEPWAY BORN FOR ADVENTURE

Renault Sandero Stepway's trailblazing looks are a sure sign that it was born for adventure. Its raised ground clearance (up 20mm compared with the Sandero), black and body-coloured bumpers - which house the satin-finish chrome front and rear skid-plates, fog lamps and longitudinal roofbars (black and satin-finish chrome) ensure that Renault Sandero Stepway is in its element whatever the type of road.

In addition to its unmistakable individual character, Renault Sandero Stepway boasts the same strengths that have helped forge the success of the Sandero, namely a roomy interior, safety, reliability and an unbeatable performance and equipment package amongst its competitors, and of course it's made here in South Africa for the South African lifestyle.

Sandero Stepway's safety equipment includes Bosch 8.1 ABS with Electronic Brakeforce Distribution (EBD) plus driver and front passenger airbags. The high-set driver's position makes for a stress-free urban drive, while driving pleasure and reliability is fully delivered by the 1.6 litre engine.

Features and images may vary and be optional depending on model, and are subject to change without notice.

### RENAULT'S ADVENTURER

Renault Sandero Stepway combines sporty appeal and refinement thanks to details such as its black headlamp masks, chrome grille trim, 16" aluminium alloy wheels, satin-finish chrome exterior mirrors, door handles and sills, and chrome exhaust tailpipe which all contribute to its assertive personality.

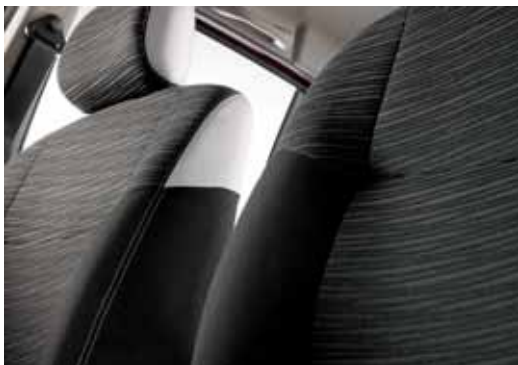

# AN ATTRACTIVE AND RUGGED CHARACTER

While Renault Sandero Stepway is a natural in the “urban jungle”, it also features all the fundamental qualities of Sandero, such as roominess and robustness. Renault Sandero Stepway has an immense cabin, seating five adults in complete comfort and boasting a 320 litre boot which extends to 1200 litres with the rear seats folded.

Inside, the upholstery combines with the Stone Grey centre-console fascia, air vents, steering wheel rim and door grab handles to add a touch of elegance to Renault Sandero Stepway’s adventurous appearance. This forceful vehicle features Stepway branding on the front doors and front chrome door sills, while decorative graphics for the sides of the rear wings are also available as accessories. In addition to these distinguishing features, Renault Sandero Stepway comes as standard with comfort-related equipment such as manual climate control, electric front windows and a radio-CD with mp3 playback.

Sandero Stepway boasts the same fundamental qualities of roominess and reliability as Renault Sandero, with a build quality underscored by a 5 year/150 000km warranty.

Features and images may vary and be optional depending on model, and are subject to change without notice.

## RENAULT DRIVE THE CHANGE

The philosophy that encapsulates Renault brand values and expresses the ambition of Renault; an innovative, human company, to pioneer sustainable mobility for all.

Renault builds on more than 110 years of innovation to bring customers breakthrough top quality products and services that are ingenious, appealing, affordable and carbon efficient.

Renault's brand expresses the deep rooted values of our business culture and brand values - reliable, human, enthusiastic - and forges a new path in automotive design and use.

# RENAULT CONFIANCE

## RENAULT CONFIANCE AN ALL-ENCOMPASSING CARE PACKAGE.

When you drive a Renault, you drive with confidence because you know that wherever you are, you'll always be in great hands. And to make your travels even more enjoyable, Renault is proud to bring you Renault Confiance - a complete peace of mind programme. Read on and understand why many Renault drivers feel more confident that they're backed by Renault Confiance.

### PARTS AVAILABILITY WHATEVER PARTS YOU NEED, WE'LL HAVE THEM OR OFFER YOU A MOBILITY SOLUTION.

Renault ranks amongst South Africa's motor industry leaders in affordable parts pricing. Parts availability is ensured in Renault dealerships, but should your Renault become immobilised through spare parts being unavailable, you will be offered a mobility solution.

### 5 YEAR/150 000KM WARRANTY\* WITH A 5 YEAR/150 000KM WARRANTY, YOU'RE ALWAYS COVERED.

Should you experience any mechanical failure resulting from a defect in an original part(s) on your new Renault vehicle, Renault Confiance will cover the cost of repairs for a period of 5 years or 150 000km.

\*Warranty does not cover wear and tear items such as shock absorbers, brake pads, clutches, cam belts, etc.

### FIXED PRICE SERVICE MENU KNOW YOUR SERVICE COSTS UPFRONT, WHAT WE QUOTE IS WHAT YOU PAY.

No surprises, just fair, standard pricing on all services. So, you know upfront what you are paying for your vehicle service. The Fixed Price Service Menu is a major advantage for customers. It states the costs of every scheduled service, and is displayed in every dealership. It affords the opportunity to compare our servicing costs with competitors. Transparency is assured, and there are no hidden costs.

## 24HR ROADSIDE ASSISTANCE/SECURITY WHATEVER THE EMERGENCY, WE'LL ALWAYS BE THERE.

Because your personal security is of utmost importance to us, help is one phone call away. Simply dial **0800 600 189** for assistance or for a team to be dispatched to you.

- This number is available 24 hours a day, 365 days a year.
- You will either be assisted on the scene or your vehicle will be towed to the nearest Renault dealership.
- Our 24 hour Roadside Assistance Plan covers all new Renault vehicles for a period of 5 years or 150 000km with an option for extension.
- With our 'Stand by You' Plan, we will dispatch a security guard within any metropolitan area to stand by your side on request.

## SERVICE/MAINTENANCE PLANS WE OFFER STANDARD OR TAILOR-MADE OPTIONS TO SUIT YOUR NEEDS.

### SERVICE PLAN

Having a Service Plan reduces the costs of servicing your new car. The price of the Service Plan is fixed when you buy your car, so you won't have to worry about inflationary price increases on labour or parts; for the duration of your Service Plan.

### MAINTENANCE PLAN

Your Maintenance Plan is a comprehensive package that not only covers all your service, maintenance and labour costs over a contract period, giving you greater peace of mind.

## COMPLETE PEACE OF MIND

At Renault we believe in always putting you first and striving to understand your vehicle and service expectations. In this way we will be better able to meet them, providing you with peace of mind, value for money and a strong sense of satisfaction with your vehicle purchase.
